

Family

Families come in lots of different forms and sizes

Time to Talk (and listen!)

It's important that we have the chance to talk about how we feel about changes that are happening

We should give each other the chance to listen and understand how others might be feeling about changes that are happening. We should also give each other the chance to talk about how we are feeling.

Sometimes, we can come up with a plan together that may help make changes easier to manage.
