Haynes, 2002-03-28 A servant of servants shall he be unto his brethren So reads Noah's curse on his son Ham and all his descendants in Genesis 9:25 Over centuries of interpretation Ham came to be identified as the ancestor of black Africans and Noah's curse to be seen as biblical justification for American slavery and segregation Examining the history of the American interpretation of Noah's

course this book begins with an overview of the prior history of the reception of this scripture and then turns to the distinctive and creative ways in which the curse was appropriated by American pro slavery and pro segregation interpreters

Southern Presbyterian Review, 1876 Masters of Small Worlds Stephanie McCurry, 1995 In this innovative study of the South Carolina Low Country author Stephanie McCurry explores the place of the yeomanry in plantation society the complex web of domestic and public relations within which they were enmeshed and the contradictory politics of slave society by which that class of small farmers extracted the privileges of masterhood from the region's powerful planters Insisting on the centrality of women as historical actors and gender as a category of analysis this work shows how the fateful political choices made by the low country yeomanry were rooted in the politics of the household particularly in the customary relations of power male heads of independent households assumed over their dependents whether slaves or free women and children Such masterly prerogatives practiced in the domestic sphere and redeemed in the public explain the yeomanry's deep commitment to slavery and ultimately their ardent embrace of secession By placing the yeomanry in the center of the drama McCurry offers a significant reinterpretation of this volatile society on the road to Civil War Through careful and creative use of a wide variety of archival sources she brings vividly to life the small worlds of yeoman households and the larger world of the South Carolina Low Country the plantation South and nineteenth century America **Christian**

Citizens Elizabeth L. Jemison, 2020-10-07 With emancipation a long battle for equal citizenship began Bringing together the histories of religion race and the South Elizabeth L. Jemison shows how southerners black and white drew on biblical narratives as the basis for very different political imaginaries during and after Reconstruction Focusing on everyday Protestants in the Mississippi River Valley Jemison scours their biblical thinking and religious attitudes toward race She argues that the evangelical groups that dominated this portion of the South shaped contesting visions of black and white rights Black evangelicals saw the argument for their identities as Christians and as fully endowed citizens supported by their readings of both the Bible and U S law The Bible as they saw it prohibited racial hierarchy and Amendments 13 14 and 15 advanced equal rights Countering this white evangelicals continued to emphasize a hierarchical paternalistic order that shorn of earlier justifications for placing whites in charge of blacks now fell into the defense of an increasingly violent white supremacist social order They defined aspects of Christian identity so as to suppress black equality even praying as Jemison documents for wisdom in how to deny voting rights to blacks This religious culture has played into remarkably long lasting patterns of inequality and segregation **In Joy and in Sorrow** Carol Bleser, 1992-09-17 In Joy and in Sorrow brings

together some of the finest historians of the South in a sweeping exploration of the meaning of the family in this troubled region In their vast canvas of the Victorian South the authors explore the private lives of Senators wealthy planters and the belles of high society along with the humblest slaves and sharecroppers both white and black Stretching from the height of the antebellum South's pride and power through the chaos of the Civil War and Reconstruction to the end of the century

these essays uncover hidden worlds of the Southern family worlds of love and duty and of incest miscegenation and insanity Featuring an introduction by C Vann Woodward Pulitzer Prize winning author of *Mary Chesnut's Civil War* and a foreword by Anne Firor Scott author of *The Southern Lady* this work presents an outstanding array of historians Eugene Genovese Catherine Clinton Elizabeth Fox Genovese Carol Bleser Drew Faust James Roark Michael Johnson Brenda Stevenson Bertram Wyatt Brown Jacqueline Jones Peter Bardaglio and more They probe the many facets of Southern domestic life from the impact of the Civil War on a prominent Southern marriage to the struggles of postwar sharecropper families One author turns the pages of nineteenth century cookbooks exploring what they tell us about home life housekeeping and entertaining without slaves after the Civil War Other essays portray the relationship between a Victorian father and his devoted son as well as the private writings of a long suffering Southern wife *In Joy and in Sorrow* offers a fascinating look into the tangled reality of Southern life before during and after the Civil War With this collection of essays editor Carol Bleser provides a powerful new way of understanding this most self consciously distinct region *In Joy and in Sorrow* will appeal to everyone interested in marriage and the family the problems of gender and slavery as well as in the history of the South old and new
