The Fathering Spirit:

The Fathering Spirit E. James Logan, Darrell Hines, 2005-01 Ensure the Transfer of Your Spiritual Inheritance One of the most important benefits of reading this book will be the fresh understanding of the power and importance of God as father God fathers His church through those who have His Spirit which is a Fathering Spirit Prov 13 24 He who spares the rod hates his son but he who loves him is careful to discipline him NIV Godly discipline chastens corrects and loves and can only come from a father who has a Fathering Spirit The writer of Hebrews says it this way Heb 12 6 Because the Lord disciplines those he loves and he punishes everyone he accepts as a son NIV In a day when there are so many absentee fathers and perverse child rearing laws we must learn how to love our children and teach them how to live in their rightful place This holds true in the church as well Many feel they are not loved when a spiritual father disciplines them Still others long for the embrace of a fathering spirit who will dare to discipline them and help them achieve God's best for their lives My prayer is that this book will help you navigate through cloudy and sometimes difficult places and arrive at the place of safety in the father's arms May the church of the Lord Jesus Christ embrace the true love of the Father and receive His discipline Author's Bio Apostle E James Logan is the Senior Pastor of Christian Faith Fellowship Church in Zion Illinois He is committed to building the Body of Christ in the unity of the Spirit and the bond of peace James Logan possesses the unique ability to uncover God's purpose in the lives of people often shrouded by the pain of the past and the snares of the enemy A *Fathering Spirit Among Us* Bishop-Dr. Julieann Pinder, 2009-03-09 When the topic turns to walking in blessed authority you should prepare to find a prescription for your next move in purpose You don't have to get ready to live anymore You are already doing it By listening to God's Fathering Voice speaking volumes through His word you will ascend into levels of greatness What in the world are you waiting for Between your fingertips lies a wealth of revelations so embark on an intellectual and spiritual journey about A new spiritual awakening Living by productive faith filled words Learning the supreme logic and Law of life Writing the next chapter of your destiny Understanding the ABC of Deliverance for continuous mental and spiritual freedom Plus much much more **Spiritual Fathers** Paul Newberry, 2003-09 Demonstrates how a true spiritual father behaves and thinks and explores the father son dynamic in a mentoring relationship **The Father's Spirit of Sonship** Thomas Weinandy OFM, 2011-01-01 This book attempts to reconceive the Trinity Its thesis is that the Father begets the Son in or by the Holy Spirit The Spirit proceeds from the Father as the one in whom the Son is begotten While some contemporary authors have proposed a similar view no one has done so in such a complete and systematic fashion Reconceiving the Trinity in this way has a number of advantages Firstly it is more in keeping with the New Testament proclamation and thus it more closely aligns the economic and immanent Trinity Secondly it overcomes the inadequacies of traditional trinitarian formulations in both Eastern and Western Churches which incorporates erroneous philosophical presuppositions Thirdly it offers a resolution to the filioque controversy which may be acceptable to both the Latin and the

Orthodox Churches This book is therefore highly ecumenical in importance Fourthly it gives a more active and essential role to the Holy Spirit within the immanent Trinity something that has been lacking throughout the trinitarian tradition The true subjectivity or personality of the Holy Spirit is more clearly defined This book brings out the spiritual and practical importance of the Trinity for the everyday lives of Christians It defines more clearly how Christians are grafted into the very life of the Trinity how they come to relate to the persons of the Trinity in a manner analogous to the way they relate to one another

Awakening The Slumbering Spirit John Loren Sandford, Paula Sandford, Lee Bowman, 2012-09-20 Have you ever longed to do something great for God but lacked the ability to put feet to your longings Have you tried to overcome your lack of passion for God or the things of God but felt harnessed by spiritual lethargy Do you want to impact your world for God This book unveils the possibility that your own inner spirit may be slumbering unfocused even apathetic because of unresolved spiritual issues It shows how this can affect your conscience or hinder you from building and sustaining personal relationships intimate communication and devotional life As you read this uniquely written book you will find life transforming principles for allowing the Holy Spirit to awaken your personal spirit and help you learn to walk confidently in the nature and image of Christ
