## **The Fight To Free Angela Davis Its Importance For The Working Class:**

**The Fight to Free Angela Davis** Charlene Mitchell,1972      **Post-Cold War Revelations and the American Communist Party** Vernon L. Pedersen,James G. Ryan,Katherine A. S. Sibley,2021-01-14 Of all the third party movements in American history none have been as controversial as the Communist Party of the United States of America Although denounced as a tool of the Soviet Union accused of espionage and charged with advocating the revolutionary overthrow of the American government before WWII it had been an accepted part of the political landscape This collection offers an intriguing insight into this controversial political party in light of the Moscow archives that were made accessible after the end of the Cold War This collection of original essays explores new aspects in the history of American Communism drawing on a range of documents from Moscow and Eastern Europe Examining traditional subjects in the light of new evidence the essays cover a range of topics including party leaders espionage campaigns against racism the Spanish Civil War communism and gender the fate of members after the McCarthy era and ways in which Communists became Anti Communists      *The Theory and Practice of Communism ...* United States. Congress. House. Committee on Internal Security,1973      *The Theory and Practice of Communism, (People's Republic of China), Hearings ...*, 93-1 ... United States. Congress. House Internal Security,1973      **The Theory and Practice of Communism: Communist Party, USA, attempts to repenetrate the trade union movement** United States. Congress. House. Committee on Internal Security,1973      **Bibliography of African American Leadership** Cedric Johnson,Ronald W. Walters,2000-06-30 Compiled in this volume is the most significant accumulation of works on the subject of African American leadership to date As the field of leadership studies continues to grow this timely work contributes to an understanding of the activities of those people and organizations that have been leaders of people of African descent and have contributed to the cultural and political affairs of the black community as well as the representation of the black community in mainstream American life The annotated entries cover a variety of works on subjects such as dedicated black leadership studies local descriptions and analyses biographies leadership organizations and audio visual materials This reference is an important contribution to the field of leadership studies in general and African American leadership in particular and will serve as a valuable research tool for educators and practitioners alike The entries are organized into six sections which offer a broad overview of the various aspects of African American leadership Part I Critical Studies and Appraisals focuses on the history of works dedicated to both national and local leaders and their politically relevant activities The next section Local Leadership Studies is organized around black leaders who served local communities and the various issues they addressed Part III looks at relevant social movements and ideologies that have highlighted the activities of black leaders Individual leaders who have made contributions to the political life of the black community are included in Part IV while leadership organizations are highlighted in Part V The concluding section of the volume looks at available audio visual materials A thorough index rounds out the bibliography      *The Theory*

*and Practice of Communism: The Communist Party, USA* United States. Congress. House. Committee on Internal Security, 1973

**Gendering Radicalism** Beth Slutsky, 2015 In 1919 Charlotte Anita Whitney a wealthy white woman received one of the first Communist Labor Party membership cards for the charter group of the northern California Communist Labor Party Less than a decade later in Berkeley California a Jewish woman named Dorothy Ray Healey became a card carrying member of the Young Communist League Nearly forty years later in 1966 Kendra Claire Harris Alexander a mixed race woman enlisted with the Los Angeles branch of the Communist Party determined to promote class equality In *Gendering Radicalism* Beth Slutsky examines how American leftist radicalism was experienced through the lives of these three women who led the California branches of the Communist Party from its founding in 1919 to its near dissolution in 1992 Separately each woman represents a generation of the membership and activism of the party Collectively Slutsky argues their individual histories tell the story of one of the most infamous organizations this country has ever known and in a broader sense represent the story of all women who have devoted their lives to radicalism in America Slutsky considers how gender politics California's political climate coalitions with other activist groups and local communities and generational dynamics created a grassroots Communist movement distinct from the Communist parties in the Soviet Union and Europe An ambitious comparative study *Gendering Radicalism* demonstrates the continuity and changes of the party both within and among three generations of its female leaders lives

**Class Matters** Pat Mahony, Christine Zmroczek, 2005-08-19 This text focuses on the theory of class as it relates to women It debates questions such as how do women define themselves in terms of social class and why is definition important or not what part does education play in our understanding of class and how does class affect relationships

*Consciousness and Social Life* David H. DeGrood, 1976-01-01

The book delves into The Fight To Free Angela Davis Its Importance For The Working Class.
