The Final Word A Biblical Response To The Case For Tongues And Prophecy To:

The Final Word O. Palmer Robertson, 1993-01-01 Dr O Palmer Robertson shows from Scripture that the call today for such gifts as prophecy instead of showing the way forward to a more biblical Christianity represents a failure to grasp the fullness of New Testament privileges Four Views on the Book of Revelation Zondervan, 2010-08-03 Of all the books of the Bible few are as fascinating or as intimidating as Revelation Four grim horsemen the Antichrist the ten horned beast the ultimate battle at Armageddon the mark of the beast It s no wonder that these images have gripped the imagination of so many and have been variously interpreted as symbolizing everything from Hitler and Gorbachev to credit cards and the Internet Is the book of Revelation a blueprint for the future A book of powerful symbolic imagery with warnings for the church Is it essentially an imaginative depiction of historical events in the first century Four Views on the Book of Revelation explores four interpretations of the book of the Apocalypse Preterist a historical interpretation arguing that most of John s prophecies occurred in the first century soon after his writing of them Idealist a spiritual or symbolic interpretation arguing that the events in Revelation are not literal and that apocalyptic literature requires a different approach than the Gospels or Epistles Classical dispensationalism a literal interpretation based on a reading of Revelation that pays close attention to the rules of grammar and the separate eras of covenantal history Progressive dispensationalism a modification of classical that has its root in the understanding of Christ s reign beginning immediately after the resurrection The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion Scripture and the People of God John DelHousaye, Jeff T. Purswell, John J. Hughes, 2018-10-15 Scripture is the foundation for all of Christian life and ministry but in our current age it is being challenged doubted and in many cases simply ignored Wayne Grudem one of evangelicalism s best known theologians and authors has worked tirelessly throughout his life to demonstrate the necessity sufficiency and centrality of Scripture In his honor Grudem s friends and colleagues including John Piper Thomas R Schreiner Sam Storms Vern S Poythress John M Frame Gregg R Allison Erik Thoennes and John DelHousaye have compiled a series of essays on various topics central to Grudem s life and teaching Exploring topics such as the nature of Scripture the relationship between Scripture and doctrine and the role of Scripture in life and ministry this volume stands as a testimony to the enduring worth of God s Word *TONGUES VOLUME 2: GENUINE BIBLICAL LANGUAGES* David A Swincer, 2016-03-01 UNIQUE This is the only known construct to demonstrate the true gift of languages together with interpretation as a composite gift showing its source purpose and operation This unique construct demonstrates all the biblical criteria in particular the source in God Trinitarian as for ALL gifts the ministry to the church as for ALL the gifts its relevance today in spite of arguments to the contrary the fact that it has never been abrogated at any time its method of operation that can be independently validated

and thereby protect its operation from abuse its purpose as an unambiguous sign of God's judgement and displeasure with unpersuaded believers in the church hence a gift for the church Redeeming the Life of the Mind John M. Frame, Wayne Grudem, John J. Hughes, 2017-11-15 Vern Poythress one of today's leading Reformed theologians has made many vital contributions to evangelical scholarship particularly a vision to glorify Christ as Lord over all areas of human life in order to redeem all realms of human thought In honor of his many years of faithful thinking and writing twenty evangelical scholars have come together to produce a set of essays on topics of importance throughout his ministry biblical exegesis the doctrine of the Trinity worldview history and ethics *TONGUES VOLUME 1: CONFUSED BY ECSTASY* David A Swincer, 2013-12-21 The focus of this study is upon ecstasy as the confusing antecedent of Corinthian glossolalia Most commentators accept ecstasy as the most significant characteristic of the Corinthian Christian glossolalic phenomenon This assumption is questioned in this research because it needs to be clarified It is contended that ecstasy is the confusing element because it was characteristic of the contemporary Corinthian mystery religious practice and that that background was carried into the Corinthian church thus colouring Paul's treatment of the subject It is not to be seen as an essential element of glossolalia Most commentators agree that the glossolalic phenomenon in the Acts is different from that at Corinth What then is a valid charismatic glossolalia It is contended that the Acts draws attention to the only authentic cases and they are three of glossolalia in the Bible The book of First Corinthians gives a corrective to an abuse with no clear authentication of a gift Paul gives guidelines necessitated by the background of religious ecstasy Hence instead of proposing ground rules for a valid spiritual expression it becomes apparent that First Corinthians is giving a restrained corrective against an abuse of contemporary culture that masqueraded as an authentic Christian experience It is ecstasy that is the confusing element to this picture It should be added that the Acts experiences speak of valid one stage linguistic phenomena whilst the gift to the church in 1 Corinthians is clearly a two stage phenomenon Bergsma reflecting on the repetitious and almost daily insignificant sic revelations of modern glossolalists believes that they are misguided or presumptuous It is like the Himalayan Mountain in obstetrical labour and producing a mouse The preoccupation and emphasis is out of all proportion to the minimal benefits derived and indeed the mischief it generates The overall significance of the study is to provide a basis for authenticating a valid glossolalic expression and all this comes from the foundation of the test case in Corinth which in turn is dependent upon an understanding of ecstasy in the antecedent Mystery Religions of Corinthian contemporary society Dr Clifford Wilson himself a prolific author urged Whatever else happens you must publish the historic material there are very few people who have any idea of the true background of glossolalia within their denominations **The Decline of African American Theology** Thabiti M. Anyabwile, 2009-08-20 Thabiti Anyabwile argues that contemporary African American theology has fallen far from the tree of its early American antecedents This book is a goldmine for any reader interested in the history of African American Christianity With a foreword by Mark Noll The Possibility of Salvation

Among the Unevangelized Daniel Strange, 2007-01-01 In the area of systematics known as the theology of religions those who affirm the particularity of Christ in terms of truth revelation and salvation have always had to deal with the problem of the unevangelized those who have never heard of Christ through no fault of their own For evangelical theologians this issue impinges on fundamental tenets of evangelical identity Recently the fate of the unevangelized has received detailed attention from evangelicals and has been fiercely debated because of the wider doctrinal issues it raises The position known as inclusivism has been most fully developed by Clark H Pinnock an influential and controversial evangelical theologian known as being the leading spokesman of Arminianism and a new theistic paradigm entitled the trinitarian openness of God Through a detailed analysis and critique of his work this book examines a cluster of issues surrounding the unevangelized and its implications for Christology soteriology and evangelical identity

Praying in the Spirit Robert Graves, 2017-02-24 Is having a prayer language scriptural today If it s a legitimate gift from God should I actually ask Him for it Praying in the Spirit is a book on the New Testament gift of glossolalia Robert W Graves shows the uses of prayer language in devotions intercession praise and worship Through biblical teaching and straightforward

Reformed Systematic Theology, Volume 1 Joel Beeke, Paul M.
