

THE FIRST AND SECOND
EPISTLES TO THE
THESSALONIANS

EDITED BY

E. J. BICKNELL, D.D.

THE First Epistle to the Thessalonians is the earliest book in the New Testament of practically undisputed date. It is, therefore, valuable evidence for the belief and life of the primitive church. The Second Epistle raises problems on which much light has been thrown by modern knowledge. The commentary aims at bringing out the thought of St. Paul, without unduly modernizing his ideas, and at the same time shows that he asserts principles which are valid for our own day.
