

The First Mormon Temple Design Construction And Historic Context Of The Kirtland Temple

Richard Lyman Bushman

The First Mormon Temple Design Construction And Historic Context Of The Kirtland Temple:

The First Mormon Temple Elwin Clark Robison, 1997 *Kirtland Temple* David J. Howlett, 2014-05-30 The only temple completed by Mormonism's founder Joseph Smith Jr the Kirtland Temple in Kirtland Ohio receives 30 000 Mormon pilgrims every year Though the site is sacred to all Mormons the temple's religious significance and the space itself are contested by rival Mormon dominations its owner the relatively liberal Community of Christ and the larger Church of Jesus Christ of Latter day Saints David J Howlett sets the biography of Kirtland Temple against the backdrop of religious rivalry The two sides have long contested the temple's ownership purpose and significance in both the courts and Mormon literature Yet members of each denomination have occasionally cooperated to establish periods of co worship host joint tours and create friendships Howlett uses the temple to build a model for understanding what he calls parallel pilgrimage the set of dynamics of disagreement and alliance by religious rivals at a shared sacred site At the same time he illuminates social and intellectual changes in the two main branches of Mormonism since the 1830s providing a much needed history of the lesser known Community of Christ **Historical Dictionary of the Latter-day Saints** Thomas G. Alexander, Davis Bitton, 2019-10-08 The Church of Jesus Christ of Latter day Saints is a Christian church that was organized by six men in western New York in 1830 under the leadership of Joseph Smith the church has grown to more than 16 million members today A restoration of the primitive church organized by Jesus Christ in the first century C E the church's membership was originally all Americans The church is now however a worldwide church with more members who live outside the United States than inside The fourth edition of Historical Dictionary of the Latter day Saints contains a chronology an introduction and an extensive bibliography The dictionary section has over 400 cross referenced entries on the important people ideas doctrine and events during the hundred ninety year history of The Church of Jesus Christ of Latter day Saints This book is an excellent resource for students researchers and anyone wanting to know more about The Church of Jesus Christ of Latter day Saints *Excavating Mormon Pasts* Newell C. Bringhurst, Lavina Fielding Anderson, 2004-08-31 Winner of the Special Book Award from the John Whitmer Historical Association *Excavating Mormon Pasts* assembles sixteen knowledgeable scholars from both LDS and the Community of Christ traditions who have long participated skillfully in this dialogue It presents their insightful and sometimes incisive surveys of where the New Mormon History has come from and which fields remain unexplored It is both a vital reference work and a stimulating picture of the New Mormon History in the early twenty first century *Believing History* Richard Lyman Bushman, 2007-02-13 The eminent historian Richard Bushman here reflects on his faith and the history of his religion By describing his own struggle to find a basis for belief in a skeptical world Bushman poses the question of how scholars are to write about subjects in which they are personally invested Does personal commitment make objectivity impossible Bushman explicitly and at points confessionally explains his own commitments and then explores Joseph Smith and the Book of Mormon from the standpoint of belief Joseph Smith cannot be dismissed as a colorful fraud

Bushman argues not seen only as a restorer of religious truth Entangled in nineteenth century Yankee culture including the skeptical Enlightenment Smith was nevertheless an original who cut his own path And while there are multiple contexts from which to draw an understanding of Joseph Smith including magic seekers the Second Great Awakening communitarianism restorationism and more Bushman suggests that Smith stood at the cusp of modernity and presented the possibility of belief in a time of growing skepticism When examined carefully the Book of Mormon is found to have intricate subplots and peculiar cultural twists Bushman discusses the book's ambivalence toward republican government explores the culture of the Lamanites the enemies of the favored people and traces the book's fascination with records translation and history Yet Believing History also sheds light on the meaning of Joseph Smith and the Book of Mormon today How do we situate Mormonism in American history Is Mormonism relevant in the modern world Believing History offers many surprises Believers will learn that Joseph Smith is more than an icon and non believers will find that Mormonism cannot be summed up with a simple label But wherever readers stand on Bushman's arguments he provides us with a provocative and open look at a believing historian studying his own faith

Revelations in Context The Church of Jesus Christ of Latter-day Saints, 2017-08-16 This book contains stories told from the point of view of those who experienced the revelations in the Doctrine and Covenants giving us insight into their meaning While the section headings provide context for the revelations they don't tell the complete story What questions prompted the revelations What did the Lord's responses mean to those He addressed How did they respond Perfect for study with the Doctrine and Covenants

Saints: The Story of the Church of Jesus Christ in the Latter Days The Church of Jesus Christ of Latter-day Saints, 2018-09-04 In 1820 a young farm boy in search of truth has a vision of God the Father and Jesus Christ Three years later an angel guides him to an ancient record buried in a hill near his home With God's help he translates the record and organizes the Savior's church in the latter days Soon others join him accepting the invitation to become Saints through the Atonement of Jesus Christ But opposition and violence follow those who defy old traditions to embrace restored truths The women and men who join the church must choose whether or not they will stay true to their covenants establish Zion and proclaim the gospel to a troubled world The Standard of Truth is the first book in Saints a new four volume narrative history of The Church of Jesus Christ of Latter day Saints Fast paced meticulously researched Saints recounts true stories of Latter day Saints across the globe and answers the Lord's call to write history for the good of the church and for the rising generations Doctrine and Covenants 69-8

The Salt Lake Temple Scott D. Marianno, Assistant Academic Vice President Reid L Neilson, 2025-08-08 Marianno and Neilson share the history of the temple located at the center of the headquarters for the Church of Jesus Christ of Latter day Saints in Salt Lake City Utah from the time church president Brigham Young declared its precise spot in 1847 to the twenty first century Beyond its forty years of construction readers will learn how the temple shaped and influenced the development of the church into a global faith and its contemporary significance as an icon and symbol for Latter day Saints

Hearken, O

O Ye People Mark Lyman Staker, 2008-07-01 Best Book Award Mormon History Association Best Book Award John Whitmer Historical Association More of Mormonism's canonized revelations originated in or near Kirtland than any other place Yet many of the events connected with those revelations and their 1830s historical context have faded over time Barely twenty five years after the first of these Ohio revelations Brigham Young lamented in 1856 These revelations after a lapse of years become mystified to those who were not personally acquainted with the circumstances at the time they were given He gloomily predicted that eventually the revelations may be as mysterious to our children as the revelations contained in the Old and New Testaments are to this generation Now more than 150 years later the distance between what Brigham Young and his Kirtland contemporaries considered common knowledge and our understanding of the same material today has widened into a sometimes daunting gap Mark Staker narrows the chasm in *O Ye People* by reconstructing the cultural experiences by which Kirtland's Latter-day Saints made sense of the revelations Joseph Smith pronounced This volume rebuilds that exciting decade using clues from numerous archives privately held records museum collections and even the soil where early members planted corn and homes From this vast array of sources he shapes a detailed narrative of weather religious backgrounds dialect differences race relations theological discussions food preparation frontier violence astronomical phenomena and myriad daily customs of nineteenth century life The result is a from the ground up experience that today's Latter-day Saints can all but walk into and touch

William B. Smith Kyle R. Walker, 2015-06-04 2016 Best Biography Award John Whitmer Historical Association Younger brother of Joseph Smith a member of the Quorum of the Twelve Apostles and Church Patriarch for a time William Smith had tumultuous yet devoted relationships with Joseph his fellow members of the Twelve and the LDS and RLDS Community of Christ churches Walker's imposing biography examines not only William's complex life in detail but also sheds additional light on the family dynamics of Joseph and Lucy Mack Smith as well as the turbulent intersections between the LDS and RLDS churches William B Smith *In the Shadow of a Prophet* is a vital contribution to Mormon history in both the LDS and RLDS traditions
