The Far Side Of Evil:

The Far Side of Evil Sylvia Engdahl, 2003-03-01 On completion of her training as an agent of the interstellar federation's Anthropological Service Elana is sent to a world whose people may soon destroy their civilization Since not enough is understood about the situation to justify any interference with their evolution the Service has no power to act its agents must go as helpless observers posing as natives in the hope of gaining knowledge that may help to save other worlds This passive role proves intolerable to the young inexperienced agent assigned to the same city as Elana a city under totalitarian rule After falling in love with a local girl who has become Elana's closest friend he identifies too completely with the natives and unwittingly endangers the entire world by a well meant but ill advised attempt to intervene Forced to assume responsibility for undoing the damage Elana finds that only she at great cost can prevent an immediate war of annihilation Although this novel has the same heroine as the author's Newbery Honor book Enchantress from the Stars it is not a sequel but a completely separate and very different story not intended for readers below high school age which is also enjoyed by adults The two books are in no way dependent on each other and can be read in either order *The Far Side of Eden* James

Conaway, 2015-10-22 In the tradition of his New York Times bestseller Napa James Conaway picks up the story he began a decade ago *The Far Side of Eden* offers a fascinating look at the political side of the wine revolution that put California's Napa Valley on the world map Miami Herald Now Conaway reveals Napa is awash in dollars generated by the boom economy and the social ambitions it inspired The valley is beset by new arrivals determined to have vineyards of their own and by cult wine producers in thrall to fabulously expensive rocket juice cabernet sauvignon that few locals can afford while established families wish to hold on to the old ways and camp followers get caught up in the glamour of it all Conaway long known for his controversial compulsively readable social reporting here indicts the wave of new money millionaires from Silicon Valley who have brought with them gaudy displays of wealth building so called McMansions and planting vanity vineyards Los Angeles Times A cautionary tale with a seductive pull San Francisco Chronicle *The Far Side of Eden* takes us to the frontlines of America's ongoing conflicts over money land and power to tell a story that has ramifications for us all **Far Side of the**

Shadow Screen Thomas Champion, 2016-05-18 My name is Peter Grant I didn't start out to save the world it just sort of happened I only wanted to win back the love of the woman who broke up with me She was chosen to work on this anthropological expedition to Bali an excellent place to rekindle the magic of romance I more or less invited myself along That wasn't the kind of magic I found While Gayle my ex was working on her tan beside a Balinese lagoon I was chasing down headhunters in the jungles of Irian Jaya She made the cocktail party circuit I buried the last King of the Torajan And while the lovely Ms O Conner got engaged to the Major Domo Demon of the Underworld I became the sorcerer's apprentice So you tell me how's a guy suppose to win a woman's heart if he can't spend any quality time with her I'm a child of my times an amalgamation of nature and nurture I did what any red blooded American male my age has learned to do I battled the evil

lord of the universe to stop his union with the woman I love and saved all of mankind in the process You would think that would count for something wouldn't you Man has always known the gods the demons They are as real as the moon and stars From his first taste of the apple man recognized good and evil and honored and feared the gods they represent But someday we must ask how much of this is real and how much is just man's invention For Peter Grant the answer means everything
