The Farewells

The Farewells:

A Graeco-Roman Rhetorical Reading of the Farewell Discourse John C. Stube, 2006-06-22 The Farewell Discourse John 13 17 is a climactic portion of John's Gospel which serves as a hinge on which the entire Gospel narrative pivots from Jesus' public ministry to his Passion. This is an analysis employing the elements of Greco-Roman rhetoric. [The Farewell](#) Rohit Bhatia and Promita Bhatia, Farewell God knows when we shall meet again William Shakespeare Well goodbyes are not easy and so are farewells but it also reminds us what we have lost and what we gained in due course of time. And while the word goodbye has garnered a rather negative emotional connotation in society there is another way a more positive way to perceive it. Author A. A. Milne who is perhaps best known for his books about a teddy bear named Winnie the Pooh once wrote How lucky I am to have something that makes saying goodbye so hard. The Farewell is a book consisting of 33 contributing authors from around the globe who have dedicated their inked verses. All the poems in the book revolve around the painful as well as overwhelming experiences and emotions of a goodbye which they might have faced in their life or observed it from the surroundings. The Farewell is a free anthology taken as an initiative by The Little Booktique Hub Publication where they have not charged a single penny from the contributing authors throughout the publishing process and wishes this book to be successful.

The Farewell Suites Andrew Lansdown, 2024-08-15 The Farewell Suites is a collection of poems dealing with death and grief and arranged in sets focused on different members of the poet's family: a brother who committed suicide, a child who died before birth, a father who slipped into delirium as he slipped out of life. These finely crafted poems capture the movements of the heart and are stunning tributes to love, patience, acceptance, and forgiveness. Though focused on the poet's own loved ones, the poems speak of and to the hearts of all readers, expressing our shared anxieties and sorrows at the passing of those we love. The collection as a whole is deeply comforting, being shot through with both human warmth and heavenly hope. Indeed, Lansdown's farewells anticipate reunion when at last our mortality is overwhelmed by immortality.

Down Murder Mountain Frederick Poss, 2024-06-21 SUMMARY OF DOWN MURDER MOUNTAIN Set in the lush marshes and rugged bluffs of northern Wisconsin, this gripping thriller intricately explores the boundaries of friendship, young love, the insidious power of the Sinaloa drug cartel, and the dark secrets of the von Himmel family. Just one year earlier, at the age of fifteen, Jack von Himmel risked the lives of his first love, Sara Koleski, as well as his own to confront the brutal hatred of his Nazi family and their hired guns from the KKK. Now sixteen, Jack innocently signs on to play nose tackle on the Hamot football team and accepts weekend work at the Farewell Moss Gathering Warehouse. However, he soon finds himself perilously facing the murderous revenge of hired sicarios and the controlling power of teenage lust, greed, shocking violence, and ultimate betrayal. Transport readers into a landscape where innocent blood is spilled early and often. Despite the best efforts of Texas Ranger Amarillo Smith and FBI investigator Christine Mountain, Wolf, danger and death await Jack or anyone else who dares travel Down Murder Mountain.
