Learn how Methodism became a worldwide mission It is broadly understood that John Wesley was the founder of the Methodist movement that spread around the world in the eighteenth century He is known for being a missionary in Georgia his heart warming experience at Aldersgate field preaching and the famous quote the world is my parish It is also assumed that Wesley was a proponent of world missions and helped spread the Methodist movement around the world This study examines this assumption and after a closer look reveals John Wesley's reluctance to send missionaries overseas The book uncovers several examples of Wesley's rejection of world missions and occasions when he thwarted plans Wesley undermined the efforts of Thomas Coke the Father of Methodist Missions who wrote an appeal to send missionaries abroad John Wesley and the Origins of Methodist Missions reveals that it was unheralded lay people ordinary immigrants merchants planters soldiers enslaved persons and former slaves who carried Methodism with them to such far off places as Antigua Maryland New York Gibraltar Nova Scotia and Sierra Leone Persons such as Nathaniel Gilbert Sophia Campbell Mary Alley and Bessie started a multiracial Methodist Society in Antigua the first outside of Europe These lay people and several others were not officially commissioned or authorized by Wesley to plant Methodist societies Rather they traveled on their own motivated by the love of God and neighbor to share their faith with others It was only after these Methodist societies were established and after multiple appeals that John Wesley and the British Conference conceded to send missionaries to assist John Wesley was not anti mission He was very missional in his context in England and his message of God's grace was at the heart of the Methodist movement Yet he was cautious and reluctant to send missionaries overseas This book offers some reasons for his hesitancy and highlights the stories challenges and successes of these pioneer men and women who spread Methodism around the world Foreword by Natalya Cherry The Genesis of Methodism Frederick A. Dreyer, 1999 Frederick Dreyer takes a new look at the question and reaches a fresh conclusion Methodism in its origins owes nothing to either Anglicanism or Dissent In its defining characteristics it derives from the Moravian revival an evangelical movement arising in Germany in the eighteenth century BOOK JACKET **Mission Studies**, 1901 **The Sunday Magazine** Thomas Guthrie, 1879
