Past and Present Hamilton Aïdé,1903 Central Connecticut in the Geologic Past Joseph Barrell,1921 **Race over Empire** Eric T. L. Love,2005-10-12 Generations of historians have maintained that in the last decade of the nineteenth century white supremacist racial ideologies such as Anglo Saxonism social Darwinism benevolent assimilation and the concept of the white man s burden drove American imperialist ventures in the nonwhite world In *Race over Empire* Eric T L Love contests this view and argues that racism had nearly the opposite effect From President Grant s attempt to acquire the Dominican Republic in 1870 to the annexations of Hawaii and the Philippines in 1898 Love demonstrates that the imperialists relationship with the racist ideologies of the era was antagonistic not harmonious In a period marked by Jim Crow lynching Chinese exclusion and immigration restriction Love argues no pragmatic politician wanted to place nonwhites at the center of an already controversial project by invoking the concept of the white man s burden Furthermore convictions that defined whiteness raised great obstacles to imperialist ambitions particularly when expansionists entered the tropical zone In lands thought to be too hot for white blood white Americans could never be the main beneficiaries of empire What emerges from Love s analysis is a critical reinterpretation of the complex interactions between politics race labor immigration and foreign relations at the dawn of the American century Schopenhauer on Self, World and Morality Arati Barua,2018-01-05 This volume is a unique collection of philosophical essays on various aspects of Schopenhauer s understanding of the nature and character of the world through the classical philosophies of the Vedanta and Buddhism and classical and modern thinkers like Bhart hari Tagore and Wittgenstein It includes reflective insights about Schopenhauer and the metaphysics of the world the self and morality from scholars who have pioneered the philosophical study of the relation between Schopenhauer and Indian schools of thoughts and intellectual history This insightful volume is a good academic resource for further research in comparative philosophy of Schopenhauer and the Indian tradition *Proceedings of the General Conference of Protestant Missionaries in Japan* ,1901 A Visit to Belgrade.
