townspeople who view Johnson as a monster vilify the Trescotts for transgressing the unspoken rules of racial segregation As Johnson attempts to return to some sense of normalcy he is rejected both by the African American and white communities and retreats into a lonely quiet life The Blue Hotel is a story of violence fate and hatred of a place where loneliness reigns among strangers and where fear is a troublesome friend With a beautifully designed cover and professionally typeset manuscript this edition of Stephen Crane's *The Monster and Other Stories* is a classic of American literature reimagined for modern readers
