

An illustration in a painterly style showing two Cheyenne warriors on horseback. The warrior in the foreground is on a dark horse, wearing a feathered headdress and a fringed garment around his waist. He holds a long spear aloft in his right hand. The second warrior is on a lighter-colored horse behind him, also wearing a feathered headdress. The background is a hazy, light blue-grey, suggesting a dusty or misty environment. The overall tone is historical and dramatic.

influence on American history Having split off from other groups around the 16th 17th centuries the Cheyenne shifted from a sedentary agricultural society to the kind of nomadic group many envision when thinking of groups on the Plains But it was land disputes and conflicts with white settlers and the Cheyenne that set in motion the chain of events that led to the most famous battle among Native Americans and the American government the Battle of the Little Bighorn The United States sought to defuse tensions with natives during the westward push by drafting treaties regarding major pieces of land often without understanding the complex structure of the various tribes and subgroups within those tribes The Cheyenne were part of the Fort Laramie Treaty of 1851 along with the Sioux and other Plains groups but violations of that treaty and violence led to increased conflicts and the Cheyenne fought federal troops at battles like Washita River and Little Bighorn Ultimately like so many of the other Plains tribes the Cheyenne eventually were forced to relocate onto land set aside for reservations but they ve managed to preserve their culture and traditions

The Fighting Cheyennes George Bird Grinnell, 1915 Grinnell lived among the Cheyenne in the latter part of the 19th century He was a deeply sympathetic observer of Indian life culture In this volume Grinnell gathered both Cheyenne White accounts of the many battles between the two He carefully explored Cheyenne culture the way the Cheyenne to the threats on an alien society
