Carl Theodor Dreyer

The Films Of Carl Theodor Dreyer:

The Films of Carl-Theodor Dreyer David Bordwell, 1981-01-01 *Dreyer in Double Reflection* Carl Theodor Dreyer, 1973 Vert van uitg Om filmen cop 1959 1963 aanwezig *Essays by IB Monty, Jytte Jensen, James Schamus, Carren O. Kaston* Carl T. Dreyer, 1988 **Four Screenplays** Carl Theodor Dreyer, 1970 *My Only Great Passion* Jean Drum, Dale D. Drum, 2000-07-26 In an industry that celebrates extravagance and showmanship Danish film director Carl Th Dreyer was a rarity a man who guarded his privacy fiercely and believed that film provided a way to understand human nature by focusing on the individual person Best known for his 1928 film *The Passion of Joan of Arc* dominated by its emotionally harrowing close ups of Joan during her trial it was Dreyer who pioneered some of the seminal techniques of modern film techniques that would later be made famous by better known contemporaries such as Sergei Eisenstein and D W Griffith Now in *My Only Great Passion* the first full length English language biography of Dreyer Jean and Dale D Drum restore his reputation to its rightful place Based on extensive and exclusive interviews with both Dreyer and the people who worked with him including personal correspondence dating back to 1952 this biography provides the most comprehensive critical examination to date of both Dreyer s life and his approach to filmmaking A valuable resource for film critics and historians those in the film industry and university cinema departments as well as anyone with an interest in Danish art and culture *My Only Great Passion* provides long neglected insights into the man who first raised European film above the level of entertainment and placed it in the realm of art *Speaking the Language of Desire* Raymond Carney, 1989-03-31 Although Carl Dreyer is universally acknowledged to be one of the supreme masters of world cinema it is one of the oddities of film history that beyond *The Passion of Joan of Arc* his works have seldom had the general recognition that they undeniable deserve This book is an attempt to bring his films to the awareness of contemporary filmgoers everywhere The author argues that the key to an understanding of Dryers work is to be found in an appreciation of his distinctive style *Carl Theodor Dreyer's Gertrud* James Schamus, 2008 This study follows a trail of references and allusions to reveal the richness and depth of Carl Theodor Dreyer s controversial 1964 film *Gertrud* and the excitement that can accompany cinema studies when it opens itself up to other disciplines and media Schamus is a professor in the School of Arts Columbia University and the CEO of Focus Features

The Cinema of Carl Dreyer Tom Milne, 1971 *Cinematography of Carl Theodor Dreyer* Paul Matthew St. Pierre, 2018-11-19 Legendary Danish filmmaker Carl Theodor Dreyer 3 February 1889 20 March 1968 was born in Copenhagen to a single mother Josefine Bernhardine Nilsson a Swede His Danish father Jens Christian Torp a married farmer employed Nilsson as a housekeeper After spending his first two years in orphanages Dreyer was adopted by Carl Theodor Dreyer a typographer and his wife Inger Marie Dreyer He was given his adoptive father s name At age 16 he renounced his adoptive parents and worked his way into the film industry as a journalist title card writer screenwriter and director Throughout his career he concealed his birth name and the details of his upbringing and his adult private life which included

a period in which he explored his homosexual orientation and endured a nervous breakdown Despite his relatively small output of fourteen feature films and seven documentary short films 1919-64 he is considered one of the greatest filmmakers in history because of the diversity of his subjects themes techniques and styles and the originality of the bold visual grammar he mastered In *Cinematography of Carl Theodor Dreyer* Performative Camerawork Transgressing the Frame I argue 1 that Dreyer an anonymous orphan an unsourced subject manufactured his individuality through filmmaking self identifying by shrouding himself in the skin of film and 2 that as a screenwriter director who blocked entire feature films in his imagination in advance sets lighting photography shot breakdowns editing and imposed his vision on camera operators lighting directors actors and crews in production he saw filmmaking essentially as camerawork and he directed in the style of a performative cinematographer

European Directors and Their Films Bert Cardullo, 2012-08-09 In *European Directors and Their Films* Essays on Cinema Bert Cardullo offers readable analyses of some of the most important film artists and individual films of the last several decades Beyond simple biographical capsules and plot summaries these readings demonstrate with elegance and clarity what cinema means as well as shows explaining how international moviemakers use the resources of the medium to pursue complex significant human goals

This Captivating Realm of Kindle Books: A Comprehensive Guide Revealing the Benefits of E-book Books: A Realm of Ease and Versatility Kindle books, with their inherent mobility and simplicity of availability, have liberated readers from the constraints of physical books.
