

A stone cross stands on a grassy hill. The background is a dramatic sky with a gradient from yellow on the left to green on the right, with wispy clouds. The cross is dark and weathered, with a decorative top.

The First Easter What Really Happened

Paul D. Molnar

The First Easter What Really Happened:

The First Easter Hubert J. Richards, 1986 *The First Easter Dawn* Charles Turner Gorham, 1908 **The Old Testament** John Holdsworth, 2005 This SCM Study Guide to the Old Testament guides the newcomer to Old Testament studies easily and smoothly through the myriad of interpretations of this ancient text Explaining difficult concepts and ensuring space for the reader to reflect independently on topics throughout this accessible textbook is aimed specifically at those who want to make connections between their own experience and the Old Testament text in a way which enables each to be transformed by the other It provides the reader with matter to reflect upon and presents Biblical text in a way that makes reflection and understanding possible The Easter Story What Really Happened Chuck Missler, 2023-01-24 From the beginning of time thinkers have puzzled over the paradox of fate vs Free will In theological terms this leads to the struggle between Calvinism and Arminianism As we explore this paradox we find that examining the fruit of each position reveals that the River of Life seems to flow between these two extremes and that again truth involves a careful balance We hear a lot about the Sovereignty of God and the prerogatives of our Creator are pretty obvious As the children s riddle goes Where does the gorilla sleep in the forest Anywhere he wants to And as most of you have discovered He has also given us one of His greatest treasures His Word Jealous as He is of His Name Psalm 138 2 highlights for thou hast magnified thy word above thy name And indeed God has declared in detail the responsibilities He desires of His people The Bible lays out just how He desires to be worshipped etc Beyond the mysteries associated with the sovereignty of God and the libraries are full of studies on that subject there emerges what is to many of us an even more troubling mystery The Sovereignty of Man Internationally recognized Biblical authority Chuck Missler explores the fundamental paradox underlying our ultimate destiny *The First Easter Morning* Edward Lynn Bode, 1970 **What Really Happened to Jesus** Gerd Lüdemann, Alf Özen, 1995-01-01 Were the resurrection appearances real physical events or nothing more than grief induced hallucinations What does it mean to say Jesus rose from the dead Dissatisfied with what he regarded as evasive answers given by theologians and scholars about the nature of the resurrection of Jesus Gerd Ludemann here subjects the New Testament traditions to a thorough investigation In particular Ludemann is concerned with the story of the empty tomb and the subsequent appearance stories first related by Peter Ludemann s startling and somewhat radical conclusions have created a stir in Europe This book written for nonspecialists presents Ludemann s provocative conclusions Readers will find a positive albeit a revolutionary new way of viewing the resurrection **Addiction and Recovery** Martha Postlethwaite, 2019-02-01 Companionship for the lifelong journey of recovery In *Addiction and Recovery* A Spiritual Pilgrimage Martha Postlethwaite pastor and a person in recovery reflects on her pilgrimage of healing through valleys of despair and vistas of resurrection Addiction and Recovery is not just Postlethwaite s story though She also draws on the wisdom of pilgrims who have walked other paths to explore themes such as surrender truth telling shame powerlessness grace forgiveness and resurrection

Together these chronicles bring hope to people who struggle with the disease of addiction and to those who love them Each chapter ends with questions to reflect on with conversation partners or in a journal and a spiritual practice The spiritual practices are related to the chapter themes and serve as samplers but they can be woven into the reader s own pilgrimage Readers will recognize themselves in these stories and reflections learn that they are not alone and find reasons to hope as they make their own pilgrimage

The Resurrection of the Son of God Nicholas Thomas Wright,2003 Explores ancient beliefs about life after death highlighting the fact that the early Christians belief about the afterlife belonged firmly on the Jewish spectrum while introducing several new mutations and sharper definitions forcing readers to view the Easter narratives not simply as rationalizations but as accounts of two actual events the empty tomb of Jesus and his appearances Simultaneous Hardcover no longer available

A Ready Defense Josh McDowell,2021-11-02 Be prepared to defend your faith with this handy reference book of apologetics Timely and biblically based Josh McDowell s work offers defenses in 60 of the most challenged areas of faith including The existence of God The Bible s relevancy and reliability The differences between the Old and New Testaments The historicity of Jesus and the Messianic prophecies fulfilled The value of Christianity in the world All in one easy to reference volume this book will strengthen your commitment and help you stand firm against challenges to the truth

Incarnation and Resurrection Paul D. Molnar,2007-06-15 For too long contemporary theology has downplayed the importance of holding together the incarnation and the resurrection when thinking theologically Paul Molnar here surveys the place of these key doctrines in the thought of several influential theologians Karl Barth Karl Rahner Thomas F Torrance John Macquarrie Gordon Kaufman Sallie McFague Roger Haight John Hick and Wolfhart Pannenberg Molnar demonstrates that whenever the starting point for interpreting the resurrection is not Jesus himself the incarnate Son of the Father then Christology and Soteriology are undermined because they are not properly rooted in a plausible doctrine of the Trinity Fair comprehensive and balanced Molnar s analysis following Torrance and Barth highlights the details of contemporary theology of the resurrection linked to the incarnation and maintains the necessity of the incarnation in its intrinsic unity with the resurrection as the beginning rather than the end of Christology
