The First Messiah Investigating The Savior Before Christ:

The First Messiah Michael O. Wise, 1999-02-17 In *The First Messiah* renowned Dead Sea Scrolls scholar Michael O. Wise brings to light the life of Judah a forgotten prophet who predated Jesus as a messianic figure by a century and has had a profound impact on the course of Christianity and Western civilization Although Judah known in the Dead Sea Scrolls as the Teacher of Righteousness preached a message distinctly different from that of Jesus the parallels between their lives are striking Sharing with his successor a strong foundation in earlier written revelation Judah came to believe through meditation on Holy Writ that he brought a divine message from God like Christ Judah's claims to messianic status led to his arrest and condemnation Judah's warnings of Jewish apostasy and his apocalyptic prophecies combined with powerful personal charisma also built a movement that survived his death and even grew into an institution comprising bishops priests and laity Unlike Jesus Judah left behind a personal testament in his own words of his relationship with God By analyzing the Thanksgiving Hymns discovered among the Dead Sea Scrolls Wise uncovers the basis of a groundbreaking understanding of the prophetic mind In so doing Wise deepens our understanding of Christ his impact on the Jewish community of his time and even his interpretation of his own messianic role The parallels between Judah and Jesus blaze forth in sharp relief Both declared themselves prophets Both were hailed by followers as He Who Is to Come and worked attendant wonders Both founded vital and long lasting movements before leaving this world In all these things Judah was first anticipating the far more famous prophet from Galilee How can these similarities be explained A century before Christ a man came to Jerusalem who became known as the Teacher of Righteousness In *The First Messiah* distinguished Dead Sea Scrolls scholar Michael O. Wise provides a detailed examination of Judah a figure whose life and prophecies helped lay the foundation for the acceptance of Jesus as the savior Drawing on ancient texts as well as contemporary anthropological thought Wise reveals compelling parallels between early prophets such as Judah and Jesus and messianic figures who have emerged through the ages to the current day in cultures around the world *The First Messiah* Michael Owen Wise, 1999 In a revealing study a noted biblical scholar traces the life of Judah the first historical messianic figure whose life reflected a remarkable parallel to that of Jesus and discusses his prophecies and teachings the movement developed by his followers and his influence on the history of Christianity 15 000 first printing **The One who is to Come** Joseph A. Fitzmyer, 2007 Messiah is one of the most popular and most contested terms in Christian reflection with many often reading the concept back into early Old Testament texts Joseph Fitzmyer carefully and comprehensively contradicts this misreading tracing the emergence of messianism to a much later date 2nd century B C **The Jewish Kulturbund Theatre Company in Nazi Berlin** Rebecca Rovit, 2012-09 Revealing the complex interplay between history and human lives under conditions of duress Rebecca Rovit focuses on the eight year odyssey of Berlin's Jewish Kulturbund Theatre By examining why and how an all Jewish repertory theatre could coexist with the Nazi regime Rovit raises broader questions about the nature of art in an environment of

coercion and isolation artistic integrity and adaptability and community and identity **BACK COVER** *Sacred Texts and Paradigmatic Revolutions* J. David Stark, 2014-01-16 This volume applies a rhetorical discourse method to the Yahadic manuscripts and Romans to show how community leaders uniquely determined specific hermeneutical rules axioms and paradigms for their communities Stark examines the Yahadic texts using Thomas Kuhn's arguments about scientific paradigms and their shifts as a framework for considering the patterns through which Paul and the Yahad interpret their scriptures Stark outlines the three ways in which the Teacher determined the perspective from which the Yahad approached its scriptures Following this he analyses the Romans and the three thematic ways that Jesus determined the perspective from which Paul approached his scriptures Despite strong similarities between them the paradigms under which the Yahad and Paul operated moved them to fundamentally different understanding of the kinds of faithfulness they should exhibit towards those whom they received as Yahweh's appointed agents The Yahad understood faithfulness to the Teacher within the context of Torah but Paul understood the Torah within the context of Abraham style faithfulness to Jesus Furthering Interfaith Biblical Scholarship Doreen McFarlane, 2024-07-05 The legacy of the late Andr LaCocque is brought to life in this book each chapter having been written by his beloved friends and former students His work has so inspired them that each of the contributor chapters moves LaCocque's work forward in directions of which he surely would have joyfully approved His great love of Jewish Christian relations matters of social justice feminist biblical scholarship and interdisciplinary dialogue are carried forward in the enthusiasm and careful work presented here These offerings in his memory are sure to serve as a jumping off point for further scholarship in each of these areas of interest and blossom in the years ahead From Logos to Trinity Marian Hillar, 2012-01-30 A critical evaluation of the doctrine of the Trinity tracing its development and investigating its intellectual philosophical and theological background **The War Texts** Jean Duhaime, 2004-11-01 The War Texts is the name given to a small group of Dead Sea Scrolls that depict the preparation for and the various phases of the eschatological battle between the Sons of Light and the Sons of Darkness Jean Duhaime briefly surveys the history of these texts from their initial discovery to their official publication He describes the different scrolls and gives details of their contents and their relationships to one another Duhaime summarizes the various reasons supporting a dating of this composition to the Hellenistic or Roman period and provides an example of the use of the Bible in the War Texts The contributors to the Companion to the Qumran Scrolls series take account of all relevant and recently published texts and provide extensive bibliographies The books in the series are authoritatively written in accessible language and are ideal for students and non specialist scholars Companion to the Qumran Scrolls 6 The World of Jesus and the Early Church Craig A Evans, 2022-05-03 How do religious texts impact the way communities of faith understand themselves In The World of Jesus and the Early Church Identity and Interpretation in Early Communities of Faith Craig Evans leads an interdisciplinary team of scholars to discover and explain how the dynamic relationship between text and community enabled ancient Christian and

Jewish communities to define themselves To this end scholars composed two sets of essays The first examines how communities understood and defined themselves and the second looks at how sacred texts informed communities about their own self understanding and identity in earliest stages of Christianity and late Second Temple Judaism Whether revealing new understandings of Jesus before Pilate the rituals governing the execution and burial of criminals or the problems of dating ancient manuscripts The World of Jesus and the Early Church draws the reader into the world of the early Christian and Jewish communities in fresh and insightful ways The Jesus Dynasty James D. Tabor, 2007-04-24 Based on close analysis of early Christian documents and recent archeological discoveries by the author and other experts The Jesus Dynasty offers a bold new interpretation of the life of Jesus and the origins of Christianity of illustrations Christian Religion
