

A serene sunset scene over a rocky coastline. The sun is a bright, glowing orb in the upper center, casting a warm, orange glow across the sky and the water. The sky is filled with soft, wispy clouds. In the foreground, dark, jagged rocks are scattered along the shore, with white foam from the waves crashing against them. The water is a deep, calm blue-grey color.

20 Years to Life... a Memoir T. T Hartman, 2012-08 I was born on Flag Day 1935 the same year Social Security was enacted Consequently I have always felt a tug of birthday patriotism and as a child I secretly hoped the flags might be flying for my benefit Growing up with the SS system has been a comfort as well I didn't mind contributing to the pot all during my working years and I certainly appreciate the pay out during retirement Graduating from journalism school and working for ten years as a newspaper reporter and magazine editor gave me a chance to write about and promote what's right with America My generation saw dramatic changes throughout the 30s 40s and 50s which paralleled my coming of age over a 20 year span Recounting some of these events and how they impacted me as an only child with a bit of an attitude is the theme of the memoir
