Marine Engineers Review, 1992

Tracing Your Naval Ancestors Simon Fowler, 2011-12-13 This concise guide to naval history and naval records is essential reading and reference for anyone researching the fascinating story of Britain's navy and the men and women who served in it Whether you are interested in the career of an individual seaman finding out about a medal winner or just want to know more about a particular ship campaign or operation this book will point you in the right direction Simon Fowler assumes the reader has little prior knowledge of the

navy and its history His book shows you how to trace an officer petty officer or rating from the seventeenth century up to the 1960s using records at the National Archives and elsewhere The book also covers the specialist and auxiliary services associated with the navy among them the Royal Marines the Fleet Air Arm the naval dockyards the WRNS and the Fleet Auxiliary In each section he explains which records survive where they can be found and how they can be used for research He also recommends resources available online as well as books and memoirs His handbook is a valuable research tool for anyone who is keen to find out about the career of an ancestor who served in the Royal Navy or was connected with it
