Sinking Island The Modern English Writers:

A Sinking Island Hugh Kenner, 1988 **End of empire and the English novel since 1945** Rachael Gilmour, Bill Schwarz, 2015-07-01 Available in paperback for the first time this first book length study explores the history of postwar England during the end of empire through a reading of novels which appeared at the time moving from George Orwell and William Golding to Penelope Lively Alan Hollinghurst and Ian McEwan Particular genres are also discussed including the family saga travel writing detective fiction and popular romances All included reflect on the predicament of an England which no longer lies at the centre of imperial power arriving at a fascinating diversity of conclusions about the meaning and consequences of the end of empire and the privileged location of the novel for discussing what decolonization meant for the domestic English population of the metropole The book is written in an easy style unburdened by large sections of abstract reflection It endeavours to bring alive in a new way the traditions of the English novel **British Culture of the Post-War** Alastair Davies, Alan Sinfield, 2013-04-15 From Angus Wilson to Pat Barker and Salman Rushdie British Culture of the Post War is an ideal starting point for those studying cultural developments in Britain of recent years Chapters on individual people and art forms give a clear and concise overview of the progression of different genres They also discuss the wider issues of Britain's relationship with America and Europe and the idea of Britishness Each section is introduced with a short discussion of the major historical events of the period Read as a whole British Culture of the Postwar will give students a comprehensive introduction to this turbulent and exciting period and a greater understanding of the cultural production arising from it Modernism and the Culture of Market Society John Xiros Cooper, 2004-09-02 Many critics argue that the modernist avant garde were always in opposition to the commercial values of market driven society For John Xiros Cooper the avant garde bears a more complex relation to capitalist culture than previously acknowledged He argues that in their personal relationships gender roles and sexual contacts the modernist avant garde epitomised the impact of capitalism on everyday life Cooper shows how the new social cultural and economic practices aimed to defend cultural values in a commercial age but in this task modernism became the subject of a profound historical irony Its own characterising techniques styles and experiments deployed to resist the new nihilism of the capitalist market eventually became the preferred cultural style of the very market culture which the first modernists opposed In this broad ranging 2004 study John Xiros Cooper explores this provocative theme across a wide range of Modernist authors including Joyce Eliot Stein and Barnes **Woolf's Ambiguities** Molly Hite, 2017-12-15 In a book that compares Virginia Woolf's writing with that of the novelist actress and feminist activist Elizabeth Robins 1862 1952 Molly Hite explores the fascinating connections between Woolf's aversion to women's pleading a cause in fiction and her narrative technique of complicating minimizing or omitting tonal cues Hite shows how A Room of One's Own Mrs Dalloway and The Voyage Out borrow from and implicitly criticize Robins's work Hite presents and develops the concept of narrative tone as a means to enrich and complicate our readings of

Woolf's modernist novels In Woolf's *Ambiguities* she argues that the greatest formal innovation in Woolf's fiction is the muting complicating or effacing of textual pointers guiding how readers feel and make ethical judgments about characters and events Much of Woolf's narrative prose Hite proposes thus refrains from endorsing a single position not only adding value ambiguity to the cognitive ambiguity associated with modernist fiction generally but explicitly rejecting the polemical intent of feminist novelists in the generation preceding her own Hite also points out that Woolf reconsidered her rejection of polemical fiction later in her career In the unfinished draft of her essay novel *The Pargiters* Woolf created a brilliant new narrative form allowing her to make unequivocal value judgments

A Concise Companion to Postwar British and Irish Poetry Nigel Alderman, C. D. Blanton, 2014-02-03 This volume introduces students to the most important figures movements and trends in post war British and Irish poetry An historical overview and critical introduction to the poetry published in Britain and Ireland over the last half century Introduces students to figures including Philip Larkin Ted Hughes Seamus Heaney and Andrew Motion Takes an integrative approach emphasizing the complex negotiations between the British and Irish poetic traditions and pulling together competing tendencies and positions Written by critics from Britain Ireland and the United States Includes suggestions for further reading and a chronology detailing the most important writers volumes and events

Imagination and the Creative Impulse in the New Literatures in English Maria Teresa Bindella, Geoffrey V. Davis, 1993 *Imagination and the Creative Impulse in the New Literatures in English* brings together the proceedings of a symposium organised by the editors at the University of Trento in 1990 At a time when the study of the post colonial literatures is gaining more widespread recognition scholars based mainly at universities in Italy and Germany were invited to address the manner in which writers are giving literary expression to the complexity of contemporary post colonial and multicultural societies and to consider from their differing perspectives on the new literatures central questions of formal experimentation linguistic innovation social and political commitment textual theory and cross culturality Focusing on such major writers such as Achebe Soyinka and Walcott as well as on lesser known figures such as Jack Davis Witi Ihimaera Rohinton Mistry and Manohar Malgonkar the contributors take up many themes characteristic of the new literatures the challenge posed to traditional authority the expression of national identity the role of literature in the liberation struggle modes of literary practice in multicultural societies the relationship of the new literatures in English to that of the former metropolitan centre and the complex intertextuality characterizing much of the literary production of post colonial societies

The Intellectual Life of the British Working Classes Jonathan Rose, 2008-10-01 Which books did the British working classes read and how did they read them How did they respond to canonical authors penny dreadfuls classical music school stories Shakespeare Marx Hollywood movies imperialist propaganda the Bible the BBC the Bloomsbury Group What was the quality of their classroom education How did they educate themselves What was their level of cultural literacy how much did they know about politics science history philosophy poetry and sexuality Who were the proletarian intellectuals and why did

they pursue the life of the mind These intriguing questions which until recently historians considered unanswerable are addressed in this book Using innovative research techniques and a vast range of unexpected sources *The Intellectual Life of the British Working Classes* tracks the rise and decline of the British autodidact from the pre industrial era to the twentieth century It offers a new method for cultural historians an audience history that recovers the responses of readers students theatergoers filmgoers and radio listeners Jonathan Rose provides an intellectual history of people who were not expected to think for themselves told from their perspective He draws on workers memoirs oral history social surveys opinion polls school records library registers and newspapers Through its novel and challenging approach to literary history the book gains access to politics ideology popular culture and social relationships across two centuries of British working class experience
