Jesus and his Two Fathers: The Person and the Legacy Uri Wernik, 2020-03-03 Who was Jesus in real life What inspired his ideas What did he aim to achieve What drew his disciples to him How was he influenced by them Unlike the many quests for the historical Jesus as a psychologist Wernik answers these questions from the perspectives of psychology and the social sciences This book's central axis is the theme of the father It looks at the family constellation into which Jesus was born where he was raised by a stepfather It also investigates the relationship he develops with God his father in heaven and examines how he became a father figure to his disciples and followers It is hoped that readers will also think about their own father when reading the one usually called dad Jesus and His Two Fathers sees Jesus' love of peace and appeasement doctrine as well as his difficulty with anger control in the context of his upbringing and family constellation Wernik offers a solution to the problem of the missing years which were unaccounted for in the New Testament He examines the internal conflicts in Jesus' movement and the tensions with the religious establishment which led to his death Jesus did not see himself as the Messiah and Wernik shows him in fact as a great reformer of Judaism who changed the notions of righteousness the relation of the believers to God and the status of the commandments This book will be of interest to scholars teachers and students in the humanities and social sciences among others in the fields of religion especially Christianity and Judaism It is aimed at interested discerning readers of non fiction in these areas

The Ante-Nicene Fathers Reverend Alexander Roberts, 2007-05-01 One of the first great events in Christian history was the Council of Nicaea in 325 AD convened to organize Christian sects and beliefs into a unified doctrine The great Christian clergymen who wrote before this famous event are referred to as the Ante Nicenes and the Apostolic Fathers and their writings are collected here in a ten volume set The Ante Nicenes lived so close to the time of Christ that their interpretations of the New Testament are considered more authentic than modern voices But they are also real and flawed men who are more like their fellow Christians than they are like the Apostles making their words echo in the ears of spiritual seekers In Volume III of the 10 volume collected works of the Ante Nicenes first published between 1885 and 1896 readers will find three of Tertullian's most famous writings In Apologetic Tertullian addresses the powers that be in Rome demanding that Christians be accepted and tolerated by Roman law In Anti Marcion Tertullian attacks and discusses heretics And in Ethical he discusses a variety of moral questions

Almodovar, 2021-03-19 The Apostles Creed was used in two distinct ways by the early Christian church first as a tool to teach new disciples the essentials of the faith and second as a defense for the faith from unbelievers and skeptics alike In the world today many are engaged in apologetics but with their presuppositions and subjective reasoning they offer the world nothing different than their own subjective beliefs Using the Apostles Creed as a guide enables the Christian to give a hope for the faith within using objective truths based on eyewitness testimony This book teaches you how to use the Creed to stay on topic and bring out the essentials of the faith in a concise and graceful manner Dr Almodovar gives a rubber hits the road approach to apologetics offering various scenarios to show how Creedal apologetics is accomplished This simple tool the Apostles Creed once used for defense is dusted off polished up and sharpened so that today's Christians can defend and proclaim the great gospel of Jesus Christ to a world in desperate need of the forgiveness of sins and new life in his name

August Wilson and the African-American Odyssey Kim Pereira, 1995 In this critical study of four plays by Pulitzer Prize winner August Wilson Ma Rainey's Black Bottom Fences Joe Turner's Come and Gone and The Piano Lesson Pereira show how Wilson uses the themes of separation migration and reunion to depict the physical and psychological journeys of African Americans in the 20th century **Bible Problems Solved by Early Christians** David W. T. Brattston, 2020-10-13 This book deals with questions or problems encountered in the Bible where answers can be found in the ante Nicene fathers The fathers were uniquely qualified by being close in time and culture to Christ himself when his unwritten teachings and Scripture interpretations and those of the apostles were still fresh in Christian memory It is designed for sincere readers of the Bible who may from time to time be puzzled by the occasional passage which seems out of step with the rest of the Scriptures or our usual impression of Christian teaching This work is written for individual and group Bible students without advanced theological qualifications rather than the intellectual market It is written for use in Bible studies in local congregations or church history classes especially in sessions when the pastor or teacher is unable to attend Bible Problems Solved by Early Christians is different from almost all other works and ministries which give solutions to problems or questions because the answers in the book come not from a modern day comparison of different verses within the Bible itself or from the interpretations of any particular religious denomination but from Christian writers who lived in the first centuries after Jesus Is Homosexuality a Forgivable Sin George S. Boudreau, 2025-06-07 Is Homosexuality a Forgivable Sin Studies

in the Scriptures for Gays and Straights 101 The golden calf has always been the symbol for sin man s desire for laws to benefit what he wants over God s laws which protect and benefit man s well being In the Old Testament personal laws in Leviticus 20 9 22 list fourteen acts that are punishable by death Homosexuality and bestiality are among them In the New Testament in 1 Corinthians 6 9 11 Jesus shed his blood on the cross to forgive us of our sins Gay and straight it is up to us to make the decision to accept him or reject him to accept Jesus Christ s love and salvation or worship the golden calf Scripture studies in the plan for salvation a guide that will help in understanding Jesus s teachings in the scriptures for our salvation How do we pray Jesus teaches his disciples the simplicity of how we should pray and the dos and don ts we should adhere to when talking to God in Jesus s name The true meaning of the gay flag Gilbert Baker created the rainbow flag in 1978 He created new definitions for the homosexual color codes for sexual preferences and perversions which were hidden from society That flag flies openly in our faces today It s their true banner for abominations and sin that God calls sickening Television ministries these are the warnings to watch out for A lot of people are attracted to television ministries because they hear a pastor say something that they also believe You better make sure what you believe in and what the pastor is teaching is true to the scriptures You have to study the Bible to make sure what you believe is true to God s Word and not be misguided into going down the wrong road The rapture theory lie a guide to the scriptures that disproves what people believe to be true It s a word that is not even in the Bible and is the opposite of what people believe will happen The friend I worked with and knew for over twenty years had given up homosexual lifestyle in his early twenties and settled into a normal lifestyle Over the years I learned of others who had done the same And I believe there are more out there who might find this book helpful in understanding God s plan for their salvation if they choose to accept it I know it is a long shot for sure but if this book only helps one person to salvation it will have been worth it The others will continue to embrace their lifestyle until the judgment day But for now there is still time for everyone to make their own decision

Hidden Truths of the Bible

Bishop Leighton Gordon, 2013-11-19 Do you desire to know the truth There are a lot of misconceptions about the Bible Lies are often passed down from generation to generation manipulating the word of God The only way to really and truly gain a full understanding of the Bible is by intensely studying it with great aspiration Some may be fine with not knowing the complete truth or pretending to be a sold out Christian and not honestly knowing what Gods word says about many issues faced on a daily basis Individuals may be fine displaying that tag that reads Jesus is my co pilot on the front of their car In all reality Jesus is the pilot he operates the vehicle that drives us through life Most of us are driving underage and need some parental guidance God is our father and wants to keep us on the right path by nurturing us with his unique and supernatural word The Bible Jesus gives us the freedom to run to him or away from him Hidden Truths challenges you to consider the truth and what it entails Leighton directly approaches the truth in a daring way that reveals Jesus love for you and causes you to re evaluate your relationship with Jesus Leighton urges you to redevelop principles that you have been practicing the
