Excerpt from Sir Walter Scott as a Critic of Literature The lack of any adequate discussion of Scott s critical work is a sufficient reason for the undertaking of this study the subject of which was suggested to me more than three years ago by Professor Trent of Columbia University We still use critical essays and monumental editions prepared by the author of the Waverley novels but the criticism has been so overshadowed by the romances that its importance is scarcely recognized It is valuable in itself as well as in the opportunity it offers of considering the relation of the critical to the creative mood an especially interesting problem when it is presented concretely in the work of a great writer No complete bibliography of Scott s writings has been published and perhaps none is possible in the case of an author who wrote so much anonymously The present attempt includes some at least of the books and articles commonly left unnoticed which are chiefly of a critical or scholarly character I am glad to record my gratitude to Professor William Allan Neilson now of Harvard University and to Professors A H Thorndike W W Lawrence G P Krapp and J E Spingarn of Columbia for suggestions in connection with various parts of the work From the beginning Professor Trent has helped me constantly by his advice as well as by the inspiration of his scholarship and my debt to him is one which can be understood only by the many students who have known his kindness About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *SIR WALTER SCOTT AS A CRITIC O* Margaret 1878 Ball,2016-08-29 **SIR WALTER SCOTT AS A CRITIC O** Margaret 1878-1952 Ball,2016-08-29
