Sisterhood and Solidarity Joyce L. Kornbluh, Mary E. Frederickson, *Women Workers' Education, Life Narratives and Politics* Maria Tamboukou, 2016-12-07 This book highlights the catalytic role of workers education in mobilizing political activism and women s involvement in labour struggles and politics Through a comprehensive study of the gendered aspects of workers education it explores the intellectual lives of women workers Drawing on the letters and papers of Fannia Mary Cohn a prominent figure in the US garment industry s trade union movement it discusses and further theorizes the importance of gender as an analytical category in the forceful interaction of labour education and migration histories The significance of the visual turn in feminist narrative analytics is considered and the book puts forward a compelling case for the contribution of writing working women in the intellectual and cultural life of the twentieth century **Girl's Schooling**

During The Progressive Era Karen Graves, 2014-06-03 This work traces the impact of a differentiated curriculum on girls education in St Louis public schools from 1870 to 1930 Its central argument is that the premise upon which a differentiated curriculum is founded that schooling ought to differ among students in order prepare each for his or her place in the social order actually led to academic decline The attention given to the intersection of gender race and social class and its combined effect on girls schooling places this text in the new wave of critical historical scholarship in the field of educational research

Rural Education (1991) Deyoung Alan, 2017-09-29 Originally published in 1991 essays discuss and analyse rural schooling in its historical social and political contexts as well as its educational mission Collections covering rural education in the United States are relatively rare particularly texts that focus on available research literature in context and many existing texts are written by educators outside of the University This book covers historical and social factors rural education in the field and the future of American Schooling The chapters comprise not only an airing of issues concerns and findings but also a guide to scholarship in the areas covered Included is a resource guide to information specific to rural education and rural special education Identity Work in Social Movements Jo Reger, Daniel J. Myers, Rachel L.

Einwohner, 2008 Movements for social change are by their nature oppositional as are those who join change movements How people negotiate identity within social movements is one of the central concerns in the field This volume offers new scholarship that explores issues of diversity and uniformity among social movement participants **Handbook of Ethical**

Selling Free Enterprise Elizabeth A. Fones-Wolf,1994 The post World War II years in the United States were marked by the business community s efforts to discredit New Deal liberalism and undermine the power and legitimacy of organized labor In *Selling Free Enterprise* Elizabeth Fones Wolf describes how conservative business leaders strove to reorient workers away from their loyalties to organized labor and government teaching that prosperity could be achieved through reliance on individual initiative increased productivity and the protection of personal liberty Based on research in a wide variety of business and labor sources this detailed account shows how business permeated every aspect of American life including factories schools churches and community institutions

Highlander John M. Glen,1996 When John M Glen s *Highlander No Ordinary School 1932-1962* first appeared in 1988 it was hailed as a full and authoritative study of one of the South s most extraordinary and controversial institutions Now in this second edition Glen updates Highlander s story through the 1990s He incorporates newly available materials and the latest scholarship to detail the school s recent work in Appalachia its efforts to bring international grassroots groups together on common issues and its support of emerging economic and environmental justice campaigns First named the Highlander Folk School and established in 1932 by Myles Horton and Don West near Monteagle Tennessee this adult education center has been both a vital resource for southern and Appalachian activists and a catalyst for several major movements for social change During its first thirty years Highlander served as a community folk school as a training center for southern labor and Farmer s Union members and as a meeting place for black and white civil rights workers Its advocacy of racial equality ultimately prompted the state of Tennessee to revoke the charter of the original institution in 1962 Undaunted the school s officers reorganized the institution as the Highlander Research and Education Center in Knoxville where it gave ongoing support to the civil rights movement and promoted a multiracial poor people s coalition Today operating in New Market Tennessee it continues to devise new strategies of progressive change from the experiences of ordinary people This comprehensive history offers a unique perspective on the movements institutions organizations and individuals that permanently reshaped our understanding of the South and Appalachia in the twentieth century It also suggests the range of problems and possibilities of using education to achieve economic political and racial justice

Global Women's Work Beth English,Mary E. Frederickson,Olga Sanmiguel-Valderrama,2018-12-07 This volume considers how women are shaping the global economic landscape through their labor activism and multiple discourses about work Bringing together an interdisciplinary group of international scholars the book offers a gendered examination of work in the global economy and analyses the effects of the 2008 downturn on women s labor force participation and workplace activism The book addresses three key themes exploitation versus

opportunity women's agency within the context of changing economic options and women's negotiations and renegotiations of unpaid social reproductive labor This uniquely interdisciplinary and comparative analysis will be crucial reading for anyone with an interest in gender and the post crisis world **History of Higher Education Annual** Roger Geiger, 1986-01-01 **A Fire in Their Hearts** Tony Michels, 2009-04-15 In a compelling history of the Jewish community in New York during four decades of mass immigration Tony Michels examines the defining role of the Yiddish socialist movement in the American Jewish experience The movement founded in the 1880s was dominated by Russian speaking intellectuals including Abraham Cahan Mikhail Zametkin and Chaim Zhitlovsky Socialist leaders quickly found Yiddish essential to convey their message to the Jewish immigrant community and they developed a remarkable public culture through lectures and social events workers education societies Yiddish schools and a press that found its strongest voice in the mass circulation newspaper *Forverts* Arguing against the view that socialism and Yiddish culture arrived as Old World holdovers Michels demonstrates that they arose in New York in response to local conditions and thrived not despite Americanization but because of it And the influence of the movement swirled far beyond the Lower East Side to a transnational culture in which individuals ideas and institutions crossed the Atlantic New York Jews in the beginning exported Yiddish socialism to Russia not the other way around The Yiddish socialist movement shaped Jewish communities across the United States well into the twentieth century and left an important political legacy that extends to the rise of neoconservatism A story of hopeful successes and bitter disappointments *A Fire in Their Hearts* brings to vivid life this formative period for American Jews and the American left
