The Sisterhood Marcia Cohen,1988 Tells the story of the feminist revolution through the lives of the women who made it

The Sisterhood Marcia Cohen,1991-08-01 *Encyclopedia of Lesbian and Gay Histories and Cultures* George

Haggerty,Bonnie Zimmerman,2003-09-02 Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this Encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavours While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the Encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written by some of the most famous names in the field as well as new researchers this is intended as a reference for students and scholars in all areas of study as well as the general public **Encyclopedia of**

Lesbian and Gay Histories and Cultures Bonnie Zimmerman,George Haggerty,2021-06-13 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a widerange of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user friendly language At the same time it maintains a high level of scholarship that incorporates both passion and objectivity It is written by some of the most famous names in the field as well as new scholars whose research continues to advance gender studies into the future **Feminists Who Changed America, 1963-1975** Barbara J. Love,2006-09-22 Documenting key

feminists who ignited the second wave women s movement Barbara J Love s *Feminists Who Changed America 1963 1975* will be the first comprehensive directory to document many of the founders and leaders including both well known and grassroots organizers of the second wave women s movement It tells the stories of more than two thousand individual women and a few notable men who together reignited the women s movement and made permanent changes to entrenched customs and laws The biographical entries on these pioneering feminists represent their many factions all parts of the country all races and ethnic groups and all political ideologies Nancy Cott s foreword discusses the movement in relation to the earlier first wave and presents a brief overview of the second wave in the context of other contemporaneous social movements

Gloria Steinem Sydney Ladensohn Stern,2023-10-03 Includes a new afterword A richly detailed biography of the iconic

feminist based on interviews with friends family colleagues and Steinem herself The Washington Post Going beyond Gloria Steinem s public persona this biography provides an in depth portrait of the famed activist covering her family of origin Smith College education travels in India founding of Ms magazine and much more drawn from fifty hours of interviews with Steinem as well as conversations with more than two hundred people in her life Stern s biography is sympathetic but critical about the woman who was once perhaps the foremost figure of American feminism Follows its subject from her childhood with a mentally ill mother and ne er do well father through her rise in the women s movement The New York Times Book Review Feminist icon goddess social climber bunny who is Gloria Steinem All of the above according to this serious new biography A real look at Steinem off the public platform Kirkus Reviews Avoiding esoteric psychological or feminist theorizing Stern still provides a clear context for Steinem s development both as a public figure and as an exemplar of the movement that seeks to have women define themselves as autonomous individuals Library Journal Includes photographs

Forever Barbie M. G. Lord,2004-03-01 Originally published New York William Morrow Co c1994 **The Fourth Revolution** Robert V. Daniels,2013-01-11 The USA has been going through a new kind of revolution which though it did not literally overthrow the government transformed racial gender and other social relationships and bequeathed the deep divisions now felt in the nation s politics and culture Race, Gender, and Work Teresa L. Amott,Julie A. Matthaei,1996 An outgrowth of Boston s Economic Literacy Project of Women for Economic Justice this new edition traces the economic and social histories of working women in America The history documents the paid and unpaid work done by American Indian Chicana European American African American and Puerto Rican women from each group s cultural beginnings pre colonialization to the most contemporary analysis of present day wage statistics The appendices supply US census sources occupational categories and labor force participation rates from 1900 to 1980 Includes statistical tables Annotation copyright by Book News Inc Portland OR Fictional Feminism Kim A. Loudermilk,2013-08-21 This book focuses on the ways in which second wave feminism has been represented in American popular culture and on the effects that these representations have had on feminism as a political movement Kim Loudermilk provides close readings of four best selling novels and their film adaptations According to Loudermilk each of these novels contains explicitly feminist characters and themes yet each presents a curiously ambivalent picture of feminism these texts at once take feminism seriously and subtly undercut its most central tenets This book argues that these texts create a kind of fictional feminism that recuperates feminism s radical potential thereby lessening the threat it presents to the status quo
