Sixth United States Infantry Regiment 1855 To Reconstruction:

The Sixth United States Infantry Regiment, 1855 to Reconstruction Clifford L. Swanson, 2001-01-01 Also discussed are topics such as life in the camp hardships in the field garrison life with families and information on the fates of some of the men listed on the prewar roster It ends with a look at the postwar lives of some of the officers who served the regiment during the war **BOOK JACKET**

The Sixth United States Infantry Regiment, 1855 to Reconstruction Clifford L. Swanson, 2001-09-15 The Sixth United States Infantry Regiment carried a long legacy into the Civil War From its inception in 1815 this division was made up of rugged men who fought on the frontier protecting settlers This work follows the history of the regiment from duty on the prairie and the march to Utah to help the soldiers fighting the Mormon war to the regiment s time in California including the Colorado or Mohave campaign to their transportation east to become part of the Army of the Potomac to participation in Civil War battles through Gettysburg and then to Reconstruction duties in the South after the war Also discussed are topics such as life in the camp hardships in the field garrison life with families and information on the fates of some of the men listed on the prewar roster It ends with a look at the postwar lives of some of the officers who served the regiment during the war

Recovering the Piedmont Past Timothy Paul Grady, Melissa A. Walker, 2013-10-01 A window into the social and cultural life of the South Carolina upcountry during the nineteenth century The history of South Carolina s lowcountry has been well documented by historians but the upcountry the region of the state north and west of Columbia and the geologic fall line has only recently begun to receive extensive scholarly attention The essays in this collection provide a window into the social and cultural life of the upstate during the nineteenth century The contributors explore topics such as the history of education in the region post Civil War occupation by Union troops upcountry tourism Freedman s Bureau s efforts to educate African Americans and the complex dynamics of lynch mobs in the late nineteenth century Recovering the Piedmont Past illustrates larger trends of social transformation occurring in the region at a time that shaped religion education race relations and the economy well into the twentieth century The essays add depth and complexity to our understanding of nineteenth century southern history and challenge accepted narratives about a homogeneous South Ultimately each of the eight essays explores little known facets of the history of upcountry South Carolina in the nineteenth century The collection includes a foreword by Orville Vernon Burton professor of history and director of the Cyberinstitute at Clemson University

Forthcoming Books Rose Army, 2001 *Books In Print 2004-2005* Ed Bowker Staff, Staff Bowker, Ed, 2004 *Senate Documents* United States Senate, 1860

Report of Major Alfred Mordecai United States. Military Commission to Europe, 1860 *Of Duty Well and Faithfully Done* Clayton R. Newell, Charles R. Shrader, 2011-07-01 On the eve of the Civil War the Regular Army of the United States was small dispersed untrained for large scale operations and woefully unprepared to suppress the rebellion of the secessionist states Although the Regular Army expanded significantly during the war reaching nearly sixty seven thousand men it was necessary to form an

enormous army of state volunteers that overshadowed the Regulars and bore most of the combat burden Nevertheless the Regular Army played several critically important roles notably providing leaders and exemplars for the Volunteers and managing the administration and logistics of the entire Union Army In this first comprehensive study of the Regular Army in the Civil War Clayton R Newell and Charles R Shrader focus primarily on the organizational history of the Regular Army and how it changed as an institution during the war to emerge afterward as a reorganized and permanently expanded force The eminent award winning military historian Edward M Coffman provides a foreword **The British National Bibliography** Arthur James Wells,2002 Military Bibliography of the Civil War: Regimental publications and personal narratives. Union and Confederate biographies. General references. Armed forces. Campaigns and battles ,2003 Volume IV Compiled and revised by Silas Felton 1063 pp revised with books missed in vols I II and III regimental publications personal narratives biographies campaigns and battles Northern and Southern Felton s new compilation is without peer He covers the subject from five different perspectives Regimental Publications and Personal Narratives Union and Confederate Biographies General References Armed Forces and Campaigns and Battles And making the work extremely useful the last 236 pages contain a complete Index of Authors of Volumes I through IV as well as a new Index of Titles in the Revised Volume IV Furthermore to clear up confusion created by the multiple names often used by Confederate units during the war artillery batteries in particular which carried a state designation but were commonly known by the battery commander s name Felton has cited a written work with a single number designation but indexed and listed it under its common appellation to aid the researcher and eliminate confusion
