- love the vibrancy of the colors really like the colors of the feathers
- did the painting look too good if that's the case it's not
- love the way the wings look different
- maybe a little more detailed around the head which could have made it more

the only reason  
the black back  
was  
to  
be

- maybe should have used black for the underwing instead of the red but also that was very the chest over the chested rest

- loves the colors of the feathers
- the second one and every the third one also very like the master but want to keep on with to making love the one more of the
- 10 year old you can give it...

- more but the
- last one so this one is better
- but that's the favorite of the master but not the

kindly a favorite of study
