Catalog of Copyright Entries ,1917 *Someday the Sun Will Shine Again* Anne Schraff,2000 **The Highs and Lows of Life** Margie Shade Nelson,2020-11-06 Margie Shade Nelson s poem Poetic Touch says Poetry flows When the Hands of God Caresses the soul In her book The Highs and Lows of Life God s hands truly caresses the soul It is powerfully inspired poetry that speaks on the various experiences of life and proves that there is hope in all situations The Highs and Lows of Life encourages the reader to look to Jesus in every aspect of his or her life whether on the mountaintop or in the valley below Jesus is always there **From Legalism to Freedom** Dallas R. Burdette,2008-08 In 1517 Martin Luther took a stand for justification by faith alone in the finished work of Christ upon Calvary As a result of his position he suffered persecution for adhering to the Scriptures alone and not to traditions This book traces my spiritual journey from legalism to freedom in Christ In sixteen chapters I map out my heritage within the Churches of Christ and the motivations that eventually led me out of bondage to liberty One of the lengthiest chapters in this book is Where the Scriptures Speak One objective of this chapter is to help individuals to understand that one may speak where the Bible speaks and not necessarily speak as the Bible speaks Chapters 11 12 and 13 represent the very heart of my escape from authoritarianism to my dependence upon God s

righteousness a righteousness from God through faith in Jesus Chapter 14 focuses on preaching in the early church Without an understanding of the Gospel that the apostles proclaimed Christians will never learn the spirit of toleration for differences within the Christian community Chapters 8 15 and 16 give attention to the Last Supper The communion should be a constant reminder of the Cross and true unity among God s children Chapter 1 2 and 3 outline my original journey of faith Dallas Burdette has been a serious student teacher and preacher of the Bible for fifty eight years supporting himself for many years as an agent for AFLAC He has written numerous articles for religious journals as well as many essays and sermons which are available on his website He has developed a keen interest in promoting unity among God s people through a more accurate reading of the Word He has degrees from Amridge University formerly Southern Christian University where he also was Director of Extended Learning for five years He holds the Doctor of Ministry degree 1999 from Erskine Theological Seminary

Copyright Office,1961 *Reviving the Ancient Faith* Richard Thomas Hughes,1996 This pathbreaking book by Richard T Hughes chronicles the history of Churches of Christ in America from their inception in the early nineteenth century to the 1990s taking full account of the complexity of their origins the mainstream of their heritage for almost two hundred years and their voices of protest and dissent especially in the twentieth century From The Critics Hughes here provides the definitive history of the Churches of Christ from their beginnings in the Stone Campbell movement of the early 19th century through the split with the Disciples of Christ at the turn of the century and all the way into the 1990s Central to this richly detailed and highly readable narrative is Hughes s assertion that this religious movement has evolved from a 19th century sect into a 20th century denomination Choice Because of Hughes s elegant writing and his

awareness of the social history surrounding the developing denomination this study transcends mere denominational history and should be read as cultural history It should remain the standard volume on the subject for years to come Publishers Weekly Hughes provides a clear balanced account of an American religious movement that has heretofore received insufficient scholarly attention Journal of American History An excellent denominational history of Churches of Christ Richard T Hughes who admirably balances an empathy born of his lifelong membership in the denomination with the standards of a professional historian labored on this book for a decade and a half and the result is a study both thoroughly researched and clearly written American Historical Review Hughes is the foremost interpreter today of the Churches of Christ as this book illustrates Well written and meticulously documented this book could serve as the definitive history of this movement for a generation Religious Studies Review *Sensing the Rhythm* Mandy Harvey, Mark Atteberry, 2017-09-26 The inspiring true story of a young woman who became deaf at age 19 while pursuing a degree in music and how she overcame adversity and found the courage to live out her dreams *The Poets of Keighley, Bingley, Haworth and District* Charles Frederick Forshaw, 1891 **Gems of Poesy by Present Day Authors**, 1901 **Catalog of Copyright Entries.
