Writing can also improve your speaking as it will give you a hint of what you would sound like when you actually speak the language.

## 42 Retell a story or a joke in English

If you know a story in your native language, try retelling it in English and see how easy or hard it is.

## 43 Engage in English activities

This will help you improve your speaking confidence and eliminate the anxiety that would come from not knowing when to speak.

## 48 Understand that there is always room for improvement

This means that learning English should be a long-term commitment for you, even after completing an English speaking course.

## 49 Speak the English you know

The English you can speak the best is that which you have learned, struggling to speak complex English you do not fully understand can derail your progress.

## 50 Try to be realistic

Know that it will take time to learn English, and that an accent might always be evident in your speech. Learn to accept that.
