Dare We Speak of Hope? Allan Aubrey Boesak, 2014-02-21 The phrase hopeful politics has dominated our public discourse in connection with the inspiring rise of Nelson Mandela in South Africa and the remarkable election of Barack Obama as president of the United States But what happens when that hope disappoints Can it be salvaged What is the relationship between faith hope and politics In this book Allan Boesak meditates on what it really means to hope in light of present political realities and growing human pain He argues that hope comes to life only when we truly face reality in the struggle for justice dignity and the life of the earth Dare We Speak of Hope is a critical provocative prophetic and above all hopeful book

Inquiring of Joseph John Kaltner, 2003 The account of Joseph in Genesis 37-50 with its classic rags to riches plot explores themes that have intrigued people throughout history: murder, betrayal, sibling rivalry, greed, natural disaster, and mistaken identity. This account shows that there is more than one way to tell the story and both are worth reading. It puts the Biblical Joseph in conversation with Quranic self. The Islamic text is a clear parallel to the Biblical story of Joseph's life but there are some important differences between them that result in two distinct versions of the tale. This interface allows for a new understanding of the familiar Biblical tradition as aspects that are often missed become prominent and puzzling elements are seen in a new light. **Ayala's Angel** Anthony Trollope, 1881 **Love in Flesh and Bone** Amy E. Richter, Joseph S. Pagano, 2014-01-15 On the weekend of April 22, 2012, the St. Anne's Church website received thousands of visitors. That Sunday in the New York Times Magazine, an article appeared about the Rev. Dr. Amy E. Richter competing in a physique competition. The strong reactions to the article got Richter and her husband and fellow clergy person, the Rev. Dr. Joseph Pagano, thinking about the scandal of the Incarnation. The claim that God entered fully into our flesh and blood human existence makes some of us squeamish. And yet this shocking claim is at the heart of the good news that in Christ, God is with us no matter what. There is nothing that can happen to us: no pain, no humiliation, no anguish that can separate us from the love of God in Christ Jesus, our Lord. In sermons for the seasons of Advent, Christmas, and Epiphany, Richter and Pagano proclaim the good news of the scandalous love of God in flesh and bone. **Daniel & his Three Friends. Seven short lectures by the author of "Plain Preaching to Poor People" [i.e. Edmund Fowle].**, 1870 Divine Guidance Gery Malanda, God promises in Isaiah 30:21: "Your ears shall hear a word behind you saying, 'This is the way, walk in it,' whenever you turn to the right hand or whenever you turn to the left. This promise is for every born-again believer. However, not every born-again Christian is able to discern God's voice or believe that God will or can speak to them. Brother Gery Malanda, Apostle and Leader of House of Prayer for All Nations Europe and Teacher on TBN's Voice of Healing UK demonstrates using the scriptures and his own personal experiences of the different ways in which God has spoken to His children. In this book, Brother Gery explores questions like: what does God say about guiding us? Should I be worried whether it is God or a demon talking to me? And how do I become familiar with the voice of God? Giving examples in the Bible, Brother Gery looks at the different ways we can discern God's voice through His word, the Rhema, word burning of the heart, the inner witness or inner conviction, a still small voice, a dictate, whispering voice, God's audible voice, peace and joy, and observing the circumstances around us. Brother Gery further highlights the importance of dreams, visions, and trances with the importance of getting an interpretation from God that is in line with His Word. God using angels and use of revelatory gifts: word of knowledge, word of wisdom, and prophecy. Finally, Brother Gery emphasises that everything in the Kingdom of God is birthed in prayer. Getting familiar with the voice of God will only be achieved in the place of intimacy as we wait for God in prayer and with fasting.
