Speak Out 2:

Gabriela Speaks Out (American Girl: Girl of the Year 2017, Book 2) Teresa E. Harris, 2017-04-25 Gabriela's second novel picks up where her first left off. Her BFF may be going to another school but Gabby is determined to make sixth grade the best year ever. She's even ready to stand up to confident and intimidating Aaliyah Reade Johnson if she makes fun of Gabby for her stutter. What she isn't ready for is Sixth Grade Initiation, a series of pranks the older kids play on the sixth graders. Gabby could stop the tradition if she wins the school election but Aaliyah is running too, which means Gabby's chances for victory are slim. Can Gabby find the courage to stand on her own, speak out for change, and do what seems impossible? **Two Nobodies** Speak Out Sheldon Marcus, Philip D. Vairo, 2011-10-01 This book traces the journey of two individuals who have spent their lives on both sides of the teacher/professor's desk. Between them, they went from attending kindergarten to being a college president, and in that journey, they held positions ranging from classroom teacher in the New York City public schools to every rank of the professorial ladder to almost every administrative position available in a university. In their book, Marcus and Vairo are totally candid in relating their experiences in their various roles. They are highly opinionated, but these opinions are based on the realities they encountered with students and colleagues at all levels of education. This book utilizes vignettes as well as commentaries to tell a story of two educators who have worked at every part of the United States. There is little that has happened in education since the 1940s down to the present day that is not touched on in this book. Marcus and Vairo are insiders with no axe to grind. They tell the truth as they see it. **SpeakOut** Wendy Sarkissian, Wiwik Bunjamin-Mau, 2012-05-04 Finding specific advice on inclusive processes for engaging a community in a planning or design process can be a daunting undertaking.
