Speaking In Our Tongues:

What the Bible Says about Speaking in Tongues John Argubright, 2014-05-22 The Biblical gift of speaking in tongues is the supernatural gift from God of speaking in a known foreign language to unbelievers without any previous knowledge or training in that language And what is spoken in that foreign language is the Gospel of Jesus Christ The main purpose is in order that Christ and Him crucified would be preached to all nations in a language that the hearer would understand Yet today many wolves in sheep clothing have perverted what the true gift of speaking in tongues really is and have replaced it with all sorts of false doctrines This Bible study teaches verse by verse on this topic teaching what the Bible says as compared to what the heretics of today have to say who are deceiving Christians by telling them to pray in ecstatic utterance that was once only associated with demonic possession And as you will see a very dangerous doctrine is being spewed from the tongues of these false prophets

Speaking in Tongues Alexander O. Sign, 2014-06-05 This book will give you an in depth biblical understanding of speaking in tongues It examines the designs uses and benefits of speaking in tongues and the right biblical attitudes every Christian should adopt toward speaking in tongues It exposes you to why speaking in today is still for today and why some Christians can't speak in tongues

Speaking in Tongues Mark J. Cartledge, 2012-04-04 Speaking in tongues glossolalia is a common spiritual phenomenon in the Pentecostal and Charismatic streams of the Christian church Such Christians believe that when they speak in tongues they are communicating with God in a language that they have never learned spiritual prayer language given to them by the Holy Spirit This innovative volume seeks to enhance our understanding and appreciation of glossolalia by examining it from a range of different angles Christian scholars from diverse academic disciplines bring to bear the insights of their own specialist areas to shed new light on the practice of speaking in tongues The disciplines include New Testament Studies Max Turner Theology Frank D Macchia History Neil Hudson Philosophy James K A Smith Linguistics David Hilborn Sociology Margaret M Poloma Psychology William K Kay A final chapter by Mark J Cartledge seeks to show how all of these perspectives can work together and enrich a Christian appreciation of the gift of tongues

Speaking in Tongues: A Critical Historical Examination, Volume 2 Philip E. Blosser, Charles A. Sullivan, 2023-08-21 In three carefully researched volumes this ground breaking study examines the gift of tongues through two thousand years of church history Starting in the present and working back in time these volumes consider 1 the modern redefinition of tongues as a private prayer language 2 the church's perennial understanding of tongues as ordinary human languages and 3 the Corinthian tongues which in light of Jewish liturgical tradition turn out to have been a Semitic liturgical language requiring bilingual interpreters This second volume tracks the perception and practice of tongues back through the first eighteen hundred years of church history demonstrating that tongue speaking was always active but puzzlingly different from today's glossolalia From Pope Benedict XIV's detailed treatise in the 1700s it works back through long forgotten scholastic and patristic debates to the earliest Christian writers such as Irenaeus No

Should All Speak with Tongues? Mac Ward Symes, 2013-03-07 Should All Speak with Tongues is a resource for anyone truly interested in whether or not speaking in tongues is a valid current manifestation of the Holy Spirit that should be experienced by all Christian believers. It shows scripturally how one is given the gift of the Holy Spirit when born again, which Jesus described as being born of the Spirit. John 3:78 therefore one has the potential for the operation of all the gifts of the Spirit immediately upon being saved and should walk and live in the Spirit thereafter. Galatians 5:23 Speaking in tongues is one of the nine gifts of the Spirit that are given to every believer. Now to each one the manifestation of the Spirit is given for the common good. 1CO 12:7 NIV

The Englishman's Greek concordance Georg Vicesimus Wigram, 1848

Christ In Our Midst Clairann Nicklin, 2018-04-16 This book was written to help me understand what the fruits and the gifts of the Holy Spirit are and what they were supposed to mean to me and how to use them in my life. The more that I discovered and shared with others, the more that I understood that I was to share this knowledge with all who have this same hunger. The fruits of the Holy Spirit given to us as a grace from God in our baptism are what molds us into the image and likeness of God. Genesis 1:26 The fruits are the personality of Jesus when He lived on earth. Jesus gives us the example with His very life. It is important for us to be fruitful and multiply physically for life to carry on, but it is spiritual fruitfulness that will change the world. We each have an intricate role to fill, whether single, married, laity, religious, man, woman, child, adult. God created each of us for a specific purpose. And He gives us the tools to do our work. They are the gifts of the Holy Spirit that are listed in Isaiah 11:2-3. The most known charismatic gifts are listed in 1 Corinthians chapters 12-14, but this is not all; there is more. To each one is given a manifestation of the spirit for the common good. 1 Corinthians 12:7. When we use a charism to help another person, our Isaiah gifts come forward within us, and as that happens, the fruits of the Holy Spirit pour out of us as a grace from God that is how we share the love of God with another. God doesn't make cookie-cutter Christians; He tailors each individual for a special ministry to help our Church grow. Can you believe it? God wants us to fulfill a portion of His plan designed to bring all people to eternity with Him. Writing this book has helped me understand the simplicity of how the fruits, gifts, and charisms work together to build up the kingdom of God.

The Tongues of Angels John C. Poirier, 2010 The Apostle Paul's reference to the tongues of angels, 1 Cor 13:1, has always aroused curiosity, but it has rarely been the object of a history of traditions investigation. Few readers of Paul's words are aware of the numerous references and allusions to angelic languages in Jewish and Christian texts. John C. Poirier presents the first full-length study of the concept of angelic languages and the most exhaustive attempt to assemble the evidence for that concept in ancient Jewish and early Christian texts. He discusses possible references to angelic languages in the New Testament, pseudepigraphic writings, both Jewish and Christian, the Dead Sea scrolls, rabbinic texts, patristic references, magical writings, and epigraphy. The discussion is divided between those witnesses that understand angels to
