

Gender Differences in Language Use *(cont'd.)*

- Children's Speech
 - Girls are only slightly more talkative than boys
 - Girls engage in more affiliative speech (e.g., praise or agreement) than boys
 - Boys engage in more assertive speech (e.g., criticisms) than girls
 - Differences are very small
- Can You Tell Who's Speaking?
 - Gender differences in speech are not found by university students, but are detected by highly trained coders
 - Gender-linked language effect

Speaking Of Gender

Mari-Anne Okkolin

Speaking Of Gender:

Speaking of Gender Elaine Showalter, 1989 *Speaking of Sex* Deborah L. Rhode, 1999 *Speaking of Sex* explores a topic that frequently is absent from our discussions about sex the persistence of sex based inequality and the cultural forces that sustain it On critical issues affecting women most Americans deny either that gender inequality is a serious problem or that it is one which they have a personal or political responsibility to address In tracing this no problem problem *Speaking of Sex* examines the most fundamental causes of women s disadvantages and the inadequacy of current public policy to combat them

Speaking from the Heart Stephanie A. Shields, 2002-06-06 In *Speaking From the Heart* Professor Shields uses examples from everyday life contemporary culture and the latest research to illustrate how culturally shared beliefs about emotion are used to shape our identities as women and men and exposes the historically shifting and tacit assumptions these beliefs are based on This fascinating exploration of gender and emotion covers everything from nineteenth century ideals of womanhood to baseball and the new man and is a must read for anyone interested in the way emotion effects our everyday lives

What Even Is Gender? R. A. Briggs, B. R. George, 2023-05-30 Debates about gender are everywhere Is it an inner identity a biological fact or an oppressive system Should we respect it or resist it *What Even Is Gender* shifts the conversation in a fresh direction arguing that these debates rest on a shared mistake the idea that there is one thing called gender that both sides are arguing about The authors distinguish a range of phenomena that established vocabulary often lumps together This sheds light on the equivocations and false dichotomies of gender talk and how they deny many of us the tools to make our needs experiences and concerns intelligible to others or even to ourselves The authors develop a conceptual toolkit that helps alleviate the harms that result from the limitations of familiar approaches They propose a pluralistic concept of gender feels that distinguishes among our experiences of diverse facets of gendered life They develop a flexible approach to gender categories that reflects the value of self determination And they suggest that what we need is not one universal language of gender but an awareness of individual variation and a willingness to adjust to changing contexts and circumstances A bold and thought provoking approach to thinking about gender *What Even Is Gender* will be of great interest to those in philosophy gender studies sociology and LGBTQIA studies

ICGCS 2021 Jendrius Jendrius , Bernadette P. Resurreccion, Adis Duderija, Keppi Sukesu, Ike Revita, Andri Rusta, Rozidateno Putra Hanida, 2022-04-12 Responding to evolving challenges toward achieving gender equality and social inclusion 30-31 August 2021 Indonesia This event organized by Pusat Studi Gender Anak dan Keluarga PPGAK The Center of Gender Children and Family Studies Universitas Andalas aims to promote new insights and discussion about the current global perspectives considering the differences in academic and subject fields approaches across time countries and economic sectors with its implications and to improve and share the scientific knowledge on gender research Is meant to open our horizon that the issue of gender and social inclusion may be viewed from various disciplines and perspectives This book constitutes the refereed post conference proceedings of the 1st

International Conference in Gender Culture and Society held online from Padang Indonesia August 30 31 2021 The 85 revised full papers were carefully selected from 124 submissions The papers are organized thematically in gender culture and society The papers present a wide range of insights and discussion about the current global perspectives on gender research

Speaking Up Allyson Jule, 2018-07-03 From slut shaming to the allegedly shrill voices of female politicians from vocal fry to online misogyny the language women use and the language used about them is as controversial as it has ever been Our language use and our gender have an enormous impact on the way we understand ourselves and the world around us and the way we are treated by society Using the latest academic research Allyson Jule tackles some of the most pressing issues facing feminism today including how language use and related ideas about gender play out in the home workplace and online It turns out that many popular ideas about gender and language are more complicated than they first appear This book will change the way you think about language and give you the tools to challenge the world around you *Gender Acquisition in Spanish* Jessica Diebowski, 2021-04-06 The comparative investigation of the acquisition of gender in Spanish by early and late bilinguals of different language combinations is highly debated and crucial as the phenomenon of gender involves grammatical features that differ in all three languages under investigation Against this background both early and late bilinguals face an arduous learning task which differs in complexity Couched within a generative framework the empirical study focuses on 257 participants with different levels of proficiency in Spanish ranging from low to advanced and through a series of tests aims to discover which extra linguistic and intra linguistic factors act as triggers for non native outcomes in adult heritage speakers and L2 learners The observed morphological variability is argued not to stem from a representational i e syntactic deficit but rather from a mapping problem in L2 learners and heritage speakers Successful attainment in terms of gender is possible but dependent on the interplay between various extralinguistic and linguistic factors

Dictionary of the Efik language, Hugh Goldie, 1874 *Gender Equity in South African Education 1994-2004* Linda Chisholm, Jean September, 2005 Publisher Description Gender and Green Governance Bina Agarwal, 2010-07-29 Yet they have hardly been empirically investigated Education, Gender and Development Mari-Anne Okkolin, 2016-10-14 This compelling book takes a novel approach to the complexities of girls and women s education in the global South To unravel the critical issues and processes behind educational advancement and to identify the factors that support the construction of educational well being and agency from gender perspective the book narrates the stories of women who have successfully built their educational careers to higher education The book creatively applies the human development and capabilities approach to analyze and assess educational advancement and development Mari Anne Okkolin offers a fresh voice to the field of education gender and development The book draws on rich in depth evidence from Tanzanian women who have reached higher education placing them amongst the very small percentage of women in the Tanzanian and sub Saharan contexts The book explores the women s school experiences everyday life practices and familial arrangements and the values expectations

and assumptions associated with education and the schooling of girls and women Due to the multi disciplinary nature of the book it will be of great interest to multiple academic audiences post graduates researchers and academics It is of particular relevance for all those interested in education sociology development studies gender women s studies and qualitative research methodology The book will appeal especially to scholars working with the capabilities approach It will also be of value beyond academia for education practitioners in planning and implementing education and equality policies internationally

Voice and Communication in Transgender and Gender Diverse Individuals Mark S. Courey, Sarah K. Rapoport, Leanne Goldberg, Sarah K. Brown, 2023-07-18 This book serves as a guide to any patient clinician or person who desires to understand how transgender and gender diverse individuals can be assisted in achieving voice and communication congruity with gender Voice and communication style serve as intricate links to one s identity and are central aspects of the gender transition process Guiding a transgender or gender diverse patient through this transition is complex requiring an understanding of the patient s desires the ability to identify and work with patients to achieve sustainable patterns of behavioral modification that affect voice in a positive manner and an understanding of the role of newly emerging surgical techniques This is best addressed by an interdisciplinary team and this book makes this material available in one source The first section of the book consists of introductory chapters written by primary care physicians endocrinologists and psychiatrists addressing the complex nature of transition from the medical standpoint A review of hormonal replacement therapies psychological evaluations and potential effects of hormone replacement on voice is included The second section describes the behavioral techniques available in speech and voice therapy for voice change and addresses outcomes that can be expected from behavioral intervention Each chapter addresses the physiologic principles of therapeutic techniques for effecting change techniques of instruction nuances for transgender and gender diverse patients methods of generalization and methods of maintenance Finally the third section of the book details the surgical techniques available to assist patients in voice transition and their expected outcomes for voice modification Each chapter includes an introduction preoperative assessment role of preoperative therapy surgical technique postoperative management and expected outcome This section also includes a surgical atlas This is an ideal guide for otolaryngologists speech language pathologists primary care providers as well as psychiatrists and endocrinologists caring for transgender and gender nonconforming patients

The Third Gender: Stain and Pain Ashish Kumar Gupta and Grishma Khobragade, 2018-01-01 The comprehensive compendium The Third Gender Stain and Pain is packed with prodigious research papers articles and case studies of well versed academicians from all over India The anthology addresses the myriad facets of a transgender s life Their problems of social identity inequality marginalisation social exclusion health care issues documentation education unemployment and poverty have been discoursed from social political economic cultural and jurisprudential along with scientific angles The book incorporates not only the troubles and deplorable plights but also intimates some resolutions that can mitigate the embarrassing abasements

of the Third Gender Gender in Modern East Asia Barbara Molony, Janet Theiss, Hyaeweol Choi, 2016-03-29 This comprehensive text covers the history of women and gender in Japan Korea and China in the early modern and modern eras by examining the dynamic histories of sexuality gender ideology discourse and legal construction marriage and the family and the gendering of work society and power The authors take the unique approach of locating gender history within a society's national history as well as describing its role in an integrated history of East Asia In addition this book examines the global context of historical changes in these countries and highlights cross cultural themes that transcend national boundaries For example themes or concepts such as writing the body feminism immigration and diasporas and Confucianism are part of an integrated history The authors capture the flow of ideas people materials and texts throughout these three countries in an easily accessible way for students *The Bloomsbury Research Handbook of Indian Philosophy and Gender* Veena R. Howard, 2019-10-17 How do gender constructions transform religious experiences What is the role of bodily materiality in ethics and epistemology How does rethinking gender and sexuality force us to reconceptualise settled ontological frameworks This collection provides the first research resource to Indian philosophical gender issues exploring a variety of texts and traditions from Indian philosophy where the treatment of gender is dynamic and diverse Organised around three central themes the gender dynamics of enlightenment in the Hindu and Buddhist traditions the simple binary opposition of genders in Indian traditions the ways in which symbolic representations of gender differ from social realities in Hindu and Buddhist practice a team of respected scholars discuss feminist readings examinations of femininity and masculinity as well as queer and trans identities representations and theories Beginning with the Vedic tradition and ending with sections on Sri Ramakrishna and Gandhi this wide ranging handbook encourages fresh inquiry into classic philosophical questions Offering critical analyses relevant to literary cultural and religious studies *The Bloomsbury Research Handbook of Indian Philosophy and Gender* opens up new ways of understanding gender and South Asian philosophy *Gender, Generation and Poverty* Sylvia H. Chant, 2007-01-01 The feminisation of poverty is viewed as a global trend and of particular concern in developing regions Yet although popularisation of the term may have raised women's visibility in development discourses and gone some way to en gender policies for poverty reduction the construct is only weakly substantiated This work covers this topic **The SAGE Handbook of Gender and Communication** Bonnie J. Dow, Julia T. Wood, 2006-07-19 The SAGE Handbook of Gender and Communication is a vital resource for those seeking to explore the complex interactions of gender and communication Editors Bonnie J Dow and Julia T Wood together with an illustrious group of contributors review and evaluate the state of the gender and communication field through the discussion of existing theories and research as well as through identification of important directions for future scholarship The first of its kind this Handbook examines the primary contexts in which gender and communication are shaped reflected and expressed interpersonal organizational rhetoric media and intercultural global Key Features Brings together the expertise of leading scholars Esteemed scholars

edit each section and leading researchers in the field author each chapter The distillation of scholarship in each area by seasoned scholars clarifies what is and is not known in that area of research Offers historical and theoretical perspectives Authors discuss the development of gender and communication research during the past three decades and examine the theories questions and issues about gender and communication that are ascending to define the next stage of work in the area Provides comprehensive reference lists Each section summarizes existing theory and research related to an area of gender and communication scholarship and guides readers to the central works in the field as well as directs future scholarship toward the most urgent important and promising topics methodologies and or perspectives

Cognitive Sociolinguistics Gitte Kristiansen, René Dirven, 2008-11-06 A union of Cognitive Linguistics and Sociolinguistics was bound to happen Both proclaim a usage based approach to language and aim to analyse actual language use in objective ways Whereas Sociolinguistics is by nature on the outlook for language in its variety CL can no longer afford to ignore social variation in language as it manifests itself in the usage data Nor can it fail to adopt an empirical methodology that reflects variation as it actually occurs beyond the limited knowledge of the individual observer Conversely while CL can only benefit from a heightened sensitivity to social aspects the rich bottom up theoretical framework it has developed is likely to contribute to a much better understanding of the meaning of variationist phenomena The volume brings together fifteen chapters written by prominent scholars testifying of rich empirical and theoretizing research into the social aspects of language variation Taking a broad view on Cognitive Sociolinguistics the volume covers three main areas corpus based research on language variation cognitive cultural models and the ideologies of sociopolitical and socio economic systems

Art, Education and Gender Gill Hopper, 2015-10-05 Why do girls study art and why do girls become primary teachers This book examines and reveals the powerful influence of the family the school and the state in shaping female identity and constructing notions of gender appropriateness It also discusses the status of art at school and the position of women artists in society

Gender-based Violence Geraldine Terry, Joanna Hoare, 2007 This book brings together some of the most interesting and innovative work being done to tackle gender based violence in various sectors world regions and socio political contexts It will be useful to development and humanitarian practitioners policy makers and academics including gender specialists
