**College Student Aid Legislation** United States. Congress. Senate. Committee on Labor and Public Welfare. Subcommittee on Education, 1984 *College Student Aid Legislation*

United States. Congress. Senate. Committee on Labor and Public Welfare, 1964 **Academic Freedom in the Age of the College** Richard Hofstadter, 2011-12-31 When this classic volume first appeared academic freedom was a crucially important issue It is equally so today Hofstadter approaches the topic historically showing how events from various historical epochs expose the degree of freedom in academic institutions The volume exemplifies Richard Hofstadter's qualities as a historian as well as his characteristic narrative ability Hofstadter first describes the medieval university and how its political independence evolved from its status as a corporate body establishing a precedent for intellectual freedom that has been a measuring rod ever since He shows how all intellectual discourse became polarized with the onset of the Reformation The gradual spread of the Moderate Enlightenment in the colonies led to a major advance for intellectual freedom But with the beginning of the nineteenth century the rise of denominationalism in both new and established colleges reversed the progress and the secularization of learning became engulfed by a tidal wave of intensifying piety Roger L Geiger's extensive new introduction evaluates Hofstadter's career as a historian and political theorist his interest in academic freedom and the continuing significance of *Academic Freedom in the Age of the College* While most works about higher education treat the

subject only as an agent of social economic mobility Academic Freedom in the Age of the College is an enduring counterweight to such histories as it examines a more pressing issue the fact that colleges and universities at their best should foster ideas at the frontiers of knowledge and understanding This classic text will be invaluable to educators university administrators sociologist and historians *The Scholarly Vocation and the Baptist Academy* Roger A. Ward, David P. Gushee, 2008 Offers a look at how Baptists have formed and sustained scholarly life in America This title is based on a group of Baptist scholars interested in critically examining the history challenges and possibilities of a scholarly life in the Baptist Academy Dauphin County Reports ,1904 Beginning with 1917 the Opinions rules and regulations of the Public Service Commission and the Workmens Compensation Board previously included in the Dauphin County reports are issued separately *Conversations on Embodiment Across Higher Education* Jennifer Leigh, 2018-09-14 Embodiment is a concept that crosses traditional disciplinary boundaries However it is a contested term and the literature is fragmented particularly within Higher Education This has resulted in silos of work that are not easily able to draw on previous or related knowledge in order to support and progress understanding *Conversations on Embodiment Across Higher Education* brings a cohesive understanding to congruent approaches by drawing on discussions between academics to explore how they have used embodiment in their work This book brings academics from fields including dance drama education anthropology early years sport sociology and philosophy together to begin conversations on how their understandings of embodiment have impacted on their teaching practice and research Each chapter explores an aspect of embodiment according to a particular disciplinary or theoretical perspective and begins a discussion with a contributor with another viewpoint This book will appeal to academics researchers and postgraduate students from a diverse range of disciplinary areas as evidenced by the backgrounds of the contributors It will be of particular interest to those in the fields of education sociology anthropology dance and drama as well as other movement or body orientated professionals who are interested in the ideas of embodiment
