Speaking Of Stewardship Model Sermons On Money And Possessions:

Speaking of Stewardship Carter,1998-01-01 This collection of twenty three superb model sermons offers a wealth of biblical insight practical wisdom illustrations inspiration and helpful advice about the crucial themes of stewardship giving and the use of money and possessions in the church Featured are sermons by active pastors in churches large and small as well as internationally known preaching professors Fred Craddock Thomas Troeger and Charles Rice **You Mean I Don't Have to Tithe?** David A. Croteau,2010-02-01 Tithing is a well known church practice in our day and age but do church goers really practice it When did the concept of tithing begin How is it justified What does the Bible say about it You Mean I Don't Have to Tithe is a detailed study on the controversial topic of tithing covering over 2 000 years of well known theologians regarding this topic Dr Croteau's intense tithing investigation will enable you to explore tithing and related topics in depth expounding many misconceptions of tithing as well as aiding in a correct understanding of this popular topic **Making a Difference in Preaching** Haddon W. Robinson,2002-04 A collection of Haddon Robinson's shorter writings on preaching **The Living Church**,1952 *The Stewardship Companion: Lectionary Resources for Preaching* William H. Willimon, David N. Mosser,2007 **By Night** Reverend E. Clifford Cutler,2010-01-21 Saint Paul's Church in Philadelphia where most of these sermons were given is reminiscent in architecture to those old pilgrimage churches of France with its rose window and gargoyles flying buttress and flèche that pierces the horizon of Chestnut Hill At one time the cross at the top of the flèche was the highest point in Philadelphia Coming to Saint Paul's brings one to a place of peace for me as one parishioner described it that helps me to try and work toward peace in the world An omen of peace for the parish is how our third rector described a gathering of clergy from North and South at Saint Paul's only six months after Lincoln's assassination Enemies just months prior they now stood before God at the altar of Saint Paul's A hundred years later in May of 1962 the parish established a memorial and planted a Red Oak on Rogation Day to honor Dag Hammarskjöld and all who died for world peace In a night of disunity and polarization that marks the opening of a third millennium the sermons and meditations in this book describe what is taking place beyond a flaring together that holds the brilliant prospect of peace This is the pilgrimage that is worth taking *A Sourcebook for Stewardship Sermons* James E. Carter,1979 *The Preaching of Jesus* William Brosend,2010-02-01 Using the findings of historical Jesus studies William Brosend asks what is the rhetoric that characterized the preaching of Jesus in the Synoptic Gospels and how may today's preaching benefit from it This book for preachers and students of preaching helps the reader see four distinct aspects of the rhetoric of Jesus dialogical preaching in response to challenges and questions proclamatory making bold and authoritative statements occasionally self-referential though less so than in the Fourth Gospel and persistently figurative illustrating his message through metaphor Brosend spends one chapter on each of these methods closing each chapter with a sermon that models that approach and his analysis of it Sample sermons are by well known preachers including Fred Craddock Michael Curry Tom Long and Barbara Brown

Taylor Brosend concludes with the implications for modern preaching and a sermon of his own Proven Resources for Stewardship Promotion, 2001 It s no secret that because stewardship is often viewed as little more than a euphemism for discussing money and budget matters it s an uncomfortable topic for many in the ministry But Allan Weenink makes no apology for his zealous approach to stewardship he believes that the spiritual dimension is just as important as the financial and that cultivating the grace of generosity is vital for Christian ministry Drawn from countless workshops and seminars conducted during Weenink s years as a stewardship consultant this book provides a wealth of proven hands on material that will help you develop an effective stewardship model It s a practical ministry resource that will yield bountiful dividends As a pastor consultant and member of national church committees Al Weenink has learned what the church needs to know about stewardship From biblical understandings to practical suggestions what Weenink shares is well worth reading Enjoy the gift and the challenge from one who loves Jesus Christ and cares deeply about the future church David Wasserman General Presbyter Grace Presbytery Presbyterian Church U S A Proven Resources For Stewardship Promotion is a rich collection of information from Al Weenink s many years of experience in helping the Presbyterian Church U S A remain fiscally faithful to its call for mission and ministry in a troubled world Weenink challenges us to a holistic approach as we struggle to make every congregation a living model of sacrificial stewardship His command of theological understanding deep faith and practical application is priceless This volume belongs in every church in the hands and hearts of pastors officers and lay leaders who will use it as a precious guide Patricia F Karns Former Associate for Stewardship Synod of the Covenant Presbyterian Church U S A Allan J Weenink has had a long and distinguished career in the ministry highlighted by 24 years as senior pastor of First Presbyterian Church in Battle Creek Michigan and 16 years as a consultant on stewardship and mission for the Presbytery of Lake Michigan He has traveled extensively throughout the world visiting and speaking at various mission projects and served on five occasions as a Volunteer in Mission in the Philippines His sermons and articles have appeared in such publications as The Clergy Journal Pulpit Digest and The Minister s Manual The Epworth Herald, 1902 *The Watchman-examiner*, 1929 *Loonie* John Wishart VanDuzer, 2015-06-01 The relentless pull to buy more stuff our love hate relationship with money and the disconnect between how we spend our time and money and what makes life meaningful LOONIE covers these topics and more using humour and a chatty style John VanDuzer **I Have Called You Friends** Fisher Humphreys, 2005 I Have Called You Friends invites you to grasp the unique dimensions of our identity as believers Back Cover **Subject Guide to Books in Print**, 1991 **EKG: Empowering Kingdom Growth** Ken Hemphill, 2004-06-15 Discover how a focus on one thing EKG Empowering Kingdom Growth will clarify your calling in life invigorate your everyday life and deepen your relationship with others *Money Matters* Dean R. Hoge, 1996-01-01 Presenting the findings of the largest and most incisive study of factors influencing church giving in America ever done this book details information from 625 churches and their members and offers surprising conclusions about member

contributions Also provided is an in depth exploration with relevant case studies of 12 successfully funded churches *The Chief Steward* Richard A. Borg,2008-06 The Chief Steward is a guide to developing the leadership skills needed to create a financial stewardship culture that transforms people into devoted followers of Christ **An Undevotional** Jimmy R. Watson,2019-04-30 In the same spirit as his previous book Big Jesus Watson takes us on a journey through the Gospel of Luke with a touch of humor and a wheelbarrow full of insights and information Watson believes nothing is more pretentiously self pious than to write something and call it a devotional unless one has already been canonized as a saint An Undevotional is not a spoon fed offering of theological niceties but rather a head spinning array of possibilities into the mind and ministry of Jesus of Nazareth with contemporary applications At times irreverent at all times interesting this book is un dispensable for Jesus devotees and un devotees alike Talking Dollars and Sense Brendan J. Barnicle,2022-02-22 Tools for clergy and congregational leaders to lead theological conversations about money Scripture and theology provide ample material for a rich discussion of money and possessions Theologians of every era have written about money Author Brendan Barnicle offers pastoral programs to bring the conversation into contemporary focus by considering personal budgeting and estate planning personal discipleship parish budgets and parish investments communal ministry and congregational partnering and policy advocacy global mission Climbing with Jesus Stephen Grunlan,2010-01-01 How does Jesus expect his followers to live in this world The Sermon on the Mount is the manifesto of his Kingdom Not a future kingdom but his present kingdom Satan is the ruler of this world The Bible tells us he is the prince of this world the prince of the power of the air and a king This world is enemy territory As Jesus told Pilate his kingdom is not of this world Jesus followers represent his kingdom and are to live out its values The Sermon on the Mount lays out the values of Christ s kingdom It is in living out these values that we can subvert the kingdom of this world We are revolutionaries inside the enemy s kingdom But our revolution is not one of violence and force It is a revolution of love and peace based on obedience to our Lord and living out his values
