

# Special Relations

**Edmund N. Santurri**

## **Special Relations:**

**Special Relations** Howard Malchow, 2011-02-18 *Special Relations* reevaluates Anglo American cultural exchange by exploring metropolitan London's culture and counterculture from the 1950s to the 1970s. It challenges a tendency in cultural studies to privilege local reception and attempts to restore the concept of Americanization in this critical era of mass tourism, professional exchange and media globalization while acknowledging an important degree of cultural hybridity and circularity. The study begins with the influence of American modernism in the built environment and in Swinging London generally and then moves to its central project: the re-exploration of British counterculture, the anti-war movement, student rebellion, hippies, popular music, the alternative press and the late Sixties triad of black feminist and gay liberationisms as intimately tied to American experience and to American agents of cultural change. *Special Relations* retrieves these phenomena as more central and enduring in British metropolitan life than the current orthodoxy allows and subjects to sharp critical scrutiny prevalent assertions of cultural authenticity in their British variants. Finally, the book looks at aspects of the turn against modernism and the counterculture in the 1970s. *Russian-German Special Relations in the Twentieth Century* Karl

Schlögel, 2006-10-31 This book examines the complicated history of Germany and Russia, two of the most geopolitically important nation states in Europe. **The Special Relationship between West Germany and Israel** Lily Gardner Feldman, 2025-04-30 First Published in 1984, *The Special Relationship between West Germany and Israel* stresses the uniqueness of the historical ties between Germans and Jews but attempts to set the implementation of post-war German-Israeli policy relations in the context of a general theory of bilateral ties between states. Lily Gardner Feldman has articulated the concept of the special relationship and indicated its relevance for other international partnerships, including those between France and Germany and the United States and Israel. It is difficult to imagine a less likely bilateral relationship of friendship and mutual support after World War II than one between Germans and Jews. Yet in their simultaneous efforts to establish legitimacy in the family of nations, the Federal Republic of Germany and Israel turned to each other. And so in one of history's greatest ironies, West Germany looked to Israel for the Nazi victims to acknowledge the moral acceptability of the successor state, and Israel looked to Germany as the lone industrial state with both the means and the will to provide a measure of economic security. This book reveals the intricacies of the German-Israeli policy relationship in a setting of extensive and complicated ties between German and Israeli societies and individuals. It is based on more than 100 interviews with key actors in erstwhile West Germany and Israel. The innovative combination of theory and practice about such dramatic historical and contemporary importance should appeal not only to academics but also to the policy communities.

**Relations 3.1 - June 2015** Catia Faria, Eze Paez, 2015-05-12 Table of Contents: Animals in Need, the Problem of Wild Animal Suffering and Intervention in Nature, Editorial, Catia Faria, Eze Paez, The Problem of Evil in Nature, Evolutionary Bases of the Prevalence of Disvalue, Oscar Horta, The Case for Intervention in Nature on Behalf of Animals, a Critical Review of the

Main Arguments against Intervention Mikel Torres If Natural Entities Have Intrinsic Value Should We Then Abstain from Helping Animals Who Are Victims of Natural Processes Luciano Carlos Cunha The Harm They Inflict When Values Conflict Why Diversity Does not Matter Julia Mosquera Making a Difference on Behalf of Animals Living in the Wild Interview with Jeff McMahan Catia Faria The Predation and Procreation Problems Persistent Intuitions Gone Wild Stijn Bruers Intuitions Gone Astray between Implausibility and Speciesism The Predation and Procreation Problems a Reply Eze Paez Seeking to Increase Awareness of Speciesism and Its Impact on All Animals a Report on Animal Ethics Leah McKelvie Humanitarian Intervention in Nature Crucial Questions and Probable Answers Adriano Mannino Nature, God and Humanity Richard L. Fern, 2002-04-04 Nature God and Humanity clarifies the task of forming an ethics of nature thereby empowering readers to develop their own critical faith based ethics Calling on original thought provoking analyses and arguments Richard L Fern frames a philosophical ethics of nature assesses it scientifically finds support for it in traditional biblical theism and situates it culturally Though defending the moral value of beliefs affirming the radical Otherness of God and human uniqueness this book aims not to compel the adoption of any particular ethic but rather illumine the contribution diverse forms of inquiry make to an ethics of nature How does philosophy clarify moral conviction What does science tell us about nature Why does religious faith matter Rejecting the illusion of a single rationally compelling ethics Fern answers these questions in a way that fosters both agreement and disagreement allowing those holding conflicting ethics of nature to work together for the common good *Whitehead's Ontology* John W. Lango, 1972-06-30 An examination of Whitehead's metaphysics through a study of his Process and Reality **Jimmy Carter and the Anglo-American Special Relationship**; Thomas K. Robb, 2016-12-05 Robb Thomas draws upon a wealth of previously classified documents to reveal that relations between Britain and the United States of America during Carter's presidency were riven with antagonism and disagreement Contrary to existing interpretations even the most special aspects of intelligence and nuclear cooperation were not immune to high level political tension Robb exposes the true competitive nature of the relationship during Carter's presidency as well as providing an original understanding to how both countries approached the breakdown of superpower detente the subject of international human rights promotion the tackling of common economic and energy challenges and to the Anglo American nuclear and intelligence relationship *Medicine and the Ethics of Care* Diana Fritz Cates, Paul Lauritzen, 2002-03-01 In these essays a diverse group of ethicists draw insights from both religious and feminist scholarship in order to propose creative new approaches to the ethics of medical care While traditional ethics emphasizes rules justice and fairness the contributors to this volume embrace an ethics of care which regards emotional engagement in the lives of others as basic to discerning what we ought to do on their behalf The essays reflect on the three related themes community narrative and emotion They argue for the need to understand patients and caregivers alike as moral agents who are embedded in multiple communities who seek to attain or promote healing partly through the medium of storytelling and who do so by cultivating

good emotional habits A thought provoking contribution to a field that has long been dominated by an ethics of principle

Medicine and the Ethics of Care will appeal to scholars and students who want to move beyond the constraints of that traditional approach     An African Philosophy of Personhood, Morality, and Politics Motsamai Molefe,2019-04-02 This book explores the salient ethical idea of personhood in African philosophy It is a philosophical exposition that pursues the ethical and political consequences of the normative idea of personhood as a robust or even foundational ethical category Personhood refers to the moral achievements of the moral agent usually captured in terms of a virtuous character which have consequences for both morality and politics The aim is not to argue for the plausibility of the ethical and political consequences of the idea of personhood Rather the book showcases some of the moral political content and consequences of the account it presents     What is this thing called Global Justice? Kok-Chor Tan,2017-01-12 What is this thing called Global Justice explores the core topics covered on the increasingly popular undergraduate modules on global justice including world poverty economic inequality nationalism human rights humanitarian intervention immigration global democracy and governance climate change international justice Centered on real world problems this textbook helps students to understand that global justice is not only a field of philosophical inquiry but also of practical importance Each chapter concludes with a helpful summary of the main ideas discussed study questions and a further reading guide     Treaty Information Bulletin United States Department of State,1932     **Special collections** Princeton University. Library,1920     **Perplexity in the Moral Life** Edmund N. Santurri,2010-06-01 Consider the following situation a mayor is holding captive the leader of a terrorist group that has placed bombs throughout the city It is determined that the only way to get the terrorist to confess where the bombs are hidden is to torture his child in front of him Should the mayor torture an innocent child to save the lives of many In Perplexity in the Moral Life Santurri discusses how situations of moral perplexity are to be construed and how the interpretation of these situations might be constrained by the presuppositions of Christian ethics Often in our practical lives we are perplexed about what morality requires of us any course of action appears as a moral transgression Santurri examines the thesis that situations of moral perplexity may actually be cases of genuine moral dilemmas in which a moral transgression is unavoidable Proponents of the moral dilemmas thesis collide with an established philosophical tradition holding that no adequate ethical theory can countenance the existence of genuine dilemmas It has been suggested that admitting the existence of dilemmas is tantamount to acknowledging the presence of a debilitating incoherence in one's system of moral reasoning Santurri contends that the issue of whether or not genuine moral dilemmas exist cannot be resolved on the basis of philosophical arguments typically advanced either by the traditional or by the revisionist views and maintains that moral perplexity is a phenomenon which cannot be interpreted apart from answering certain fundamental questions of moral ontology He then goes on to consider what sort of constraints a Christian view of morality imposes on the interpretation of moral conflict and argues that there are good reasons for Christian ethics to deny the existence of genuine dilemmas He

concludes with a critical discussion of the positions that have been or might be employed in Christian ethical arguments for the reality of irresolvable moral conflict      **The Global Justice Reader** Thom Brooks,2008-03-10 The Global Justice Reader is a first of its kind collection that brings together key foundational and contemporary writings on this important topic in moral and political philosophy Brings together key foundational and contemporary writings on this important topic in moral and political philosophy Offers a brief introduction followed by important readings on subjects ranging from sovereignty human rights and nationalism to global poverty terrorism and international environmental justice Presents the writings of key figures in the field including Thomas Hobbes Immanuel Kant John Rawls Thomas Pogge Peter Singer and many others

*Love's Labor* Eva Feder Kittay,2013-09-13 First Published in 1999 Routledge is an imprint of Taylor Francis an informa company      **Latin American Relations with the League of Nations** Warren H. Kelchner,1930      **Cabin Safety** United States. Congress. House. Committee on Public Works and Transportation. Subcommittee on Oversight and Review,1981

**New Trends in Algebraic Geometry** Klaus Hulek,1999-05-13 This book is the outcome of the 1996 Warwick Algebraic Geometry EuroConference containing 17 survey and research articles selected from the most outstanding contemporary research topics in algebraic geometry Several of the articles are expository among these a beautiful short exposition by Paranjape of the new and very simple approach to the resolution of singularities a detailed essay by Ito and Nakamura on the ubiquitous A D E classification centred around simple surface singularities a discussion by Morrison of the new special Lagrangian approach to giving geometric foundations to mirror symmetry and two deep informative surveys by Siebert and Behrend on Gromow Witten invariants treating them from the point of view of algebraic and symplectic geometry The remaining articles cover a wide cross section of the most significant research topics in algebraic geometry This includes Gromow Witten invariants Hodge theory Calabi Yau 3 folds mirror symmetry and classification of varieties      **Israeli Statecraft** Yehezkel Dror,2011-05-10 This book provides a comprehensive study of Israeli statecraft using an interdisciplinary framework to enable an in depth understanding of its characteristics challenges and responses

Harmonizing Foreign Policy Mesut Özcan,2008 Focusing on issues related to EU integration this study examines the formation of a common foreign policy in general and a common policy towards the Middle East in particular It also investigates decision making in Turkish foreign policy and foreign policy towards the Middle East before and after EU candidature
