prospect of her ruin The Rebellion should have been shot dead at once Whoever denies it proves therein that he is insensible of its infernal character and knows not how to deal with such a crime Or rather whoever denies it makes room thereby for the suspicion that he sympathizes with the Rebellion and is a participant in the crime About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
