Speed, Style, and Beauty Beverly Rae Kimes, Winston Goodfellow, 2005 **Automotive Prosthetic** Charissa N.

Terranova, 2014-01-15 In the twenty first century we are continually confronted with the existential side of technology the relationships between identity and the mechanizations that have become extensions of the self Focusing on one of humanity's most ubiquitous machines Automotive Prosthetic Technological Mediation and the Car in Conceptual Art combines critical theory and new media theory to form the first philosophical analysis of the car within works of conceptual art These works are broadly defined to encompass a wide range of creative expressions particularly in car based conceptual art by both older established artists and younger emerging artists including Ed Ruscha Martha Rosler Richard Prince Sylvie Fleury Yael Bartana Jeremy Deller and Jonathan Schipper At its core the book offers an alternative formation of conceptual art understood according to technology the body moving through space and what art historian curator and artist Jack Burnham calls relations This thought provoking study illuminates the ways in which the automobile becomes a naturalized extension of the human body incarnating new forms of car art and spurring a technological reframing of conceptual art Steeped in a sophisticated take on the image and semiotics of the car the chapters probe the politics of materialism as well as high low debates about taste culture and art The result is a highly innovative approach to contemporary intersections of art and technology

Fashion, Design and Events Kim Williams, Jennifer Laing, Warwick Frost, 2013-12-17 The importance of fashion and design in an events context remains under researched despite their ubiquity and significance from a societal and economic perspective Fashion themed events for example appeal to broad audiences and may tour the globe Staging these events might help to brand destinations boost visitor numbers and trigger popular debates about the contributions that fashion and design can make to identity They may also tell us something about our culture and wider society This edited volume for the first time examines fashion and design events from a social perspective including the meanings they bestow and their potential economic cultural and personal impacts It explores the reasons for their popularity and influence and provides a critique of their growth in different markets Events examined include fashion weeks fashion or design themed exhibitions historical re enactments extreme alternative fashion and design events and large scale public events such as royal weddings and horse races International examples and case studies are drawn from countries as diverse as the USA UK Germany Bhutan New Zealand and Australia These are used to develop and critique various thematic concepts linked to fashion and design events such as identity gender aspirations and self image commodification authenticity destination development and marketing business strategy and protection infringement of intellectual property Fashion Design and Events also provides a futurist view of these types of events and sets out a future research agenda This book has a unique focus on events associated with fashion and design and features a swathe of disciplinary backgrounds It will appeal to a broad academic audience such as students of art and design cultural studies tourism events studies sociology and marketing

Moody Moody Cars Eileen Kennedy-Moore, Michael Furman, 2022-04-26 Freewheeling Full of feelings Traveling near and far HONK if you see me I'm a moody moody car Hop in and ride along as

our auto friends personify the twists and turns of feelings This rhyming picture book shares various expressive classic cars and invites readers to figure out the emotions from excited to angry and more behind the facial expressions This is a playful approachable way to teach kids about feelings and emotions and to develop an essential skill as kids travel along in their social world An answer key in the back helps readers identify all of these moody moody cars Included are a 1956 Jaguar XK 0 a 1948 Delahaye a 1959 Buick Electra a 1965 A C Cobra a 1938 Delage Coupe a 1956 Buick Centurion a 1955 Indianapolis a 1938 Bugatti 57SC a 1939 Buick Model 40 and a 1929 DuPont LeMans Why Kids Need Moody Moody Cars Young children deal with many of the same emotions that adults do Children get angry sad frustrated nervous happy or embarrassed but they often don t have the words to talk about how they re feeling Instead they sometimes act out these emotions in very physical and inappropriate ways Parents and teachers can use Moody Moody Cars to help their children understand and express their emotions in healthy ways Being able to read emotions in ourselves and others is like having a GPS for life Research tells us that children who are better at understanding facial expressions of emotions are also Better liked by their peers Less likely to act out aggressively and they Do better in school One study found that children s ability to interpret facial emotions at five years of age predicts how well they do socially and academically even four years later Izard et al 2001 Research also shows that talking about feelings practicing labeling them and discussing their causes can help children increase their understanding of emotions in themselves and others Yuill Little 2018 In this quirky joyful picture book classic automobiles come alive to express a range of feelings from excited to angry Young readers their parents and teachers can simply admire some really cool cars or they can also dive deeper into the engine of emotional understanding that helps drive us all toward personal well being healthy relationships and educational progress

Artifacts and Allegiances Peggy Levitt, 2015-07-07 What can we learn about nationalism by looking at a country s cultural institutions How do the history and culture of particular cities help explain how museums represent diversity Artifacts and Allegiances takes us around the world to tell the compelling story of how museums today are making sense of immigration and globalization Based on firsthand conversations with museum directors curators and policymakers descriptions of current and future exhibitions and inside stories about the famous paintings and iconic objects that define collections across the globe this work provides a close up view of how different kinds of institutions balance nationalism and cosmopolitanism By comparing museums in Europe the United States Asia and the Middle East Peggy Levitt offers a fresh perspective on the role of the museum in shaping citizens Taken together these accounts tell the fascinating story of a sea change underway in the museum world at large

The Routledge Companion to Automobile Heritage, Culture, and Preservation Barry L. Stiefel, Jennifer Clark, 2019-12-06 The Routledge Companion to Automobile Heritage Culture and Preservation explores automotive heritage its place in society and the ways we might preserve and conserve it Drawing on contributions from academics and practitioners around the world and comprising six sections this volume carries the heritage discourse forward by exploring the complex and

sometimes intricate place of automobiles within society Taken as a whole this book helps to shape how we think about automobile heritage and considers how that heritage explores a range of cultural intellectual emotional and material elements well outside of the automobile body itself Most importantly perhaps it questions how we might better acknowledge the importance of automotive heritage now and in the future The Routledge Companion to Automobile Heritage Culture and Preservation is unique in that it juxtaposes theory with practice academic approaches with practical experience and recognizes that issues of preservation and conservation belong in a broad context As such this volume should be essential reading for both academics and practitioners with an interest in automobiles cultural heritage and preservation
