understanding of cultural diversity have become mandatory for health care professionals. However, most health care professionals have little or no training on how to deal with the challenges of cultural diversity. With *Managing Diversity in Health Care*, you will learn effective strategies fundamental to creating a culturally diverse health care organization. This essential handbook provides you with the necessary knowledge and tools to become more responsive to culturally diverse patient and staff populations. The authors show how to build diverse teams, deal with the thorny issues of prejudice and bias, and communicate effectively within a diverse health care setting.
