The Family War:

Family War Stories Keith P. Wilson, 2024-04-16 Based on an extensive collection of letters written from the home front and the battlefield *Family War Stories* offers fresh insights into how the reciprocal nature of family correspondence can shape a family's understanding of the war *Family War Stories* examines the contribution of the Densmore family to the Northern Civil War effort It extends the boundaries of research in two directions First by describing how members of this white family from Minnesota were mobilized to fight a family war on the home front and the battlefield and second by exploring how the war challenged the family's abolitionist beliefs and racial attitudes *Family War Stories* argues that the totality of the family's Civil War experience was intricately shaped by the dynamics of family life and the reciprocal nature of family correspondence Further it argues that the serving sons' understanding of the war was shaped by their direct military experiences in the army camps and battlefields and how their loved ones at home interpreted these experiences With two sons serving as officers in the United States Colored Troops regiments fighting in the Mississippi Valley the Densmore family was heavily involved in destroying slavery *Family War Stories* analyses how the sons' military experiences tested the family's abolitionist ideology and its commitment to white racial superiority It also explains how the family sought to accommodate the presence of a refugee from slavery working in the family kitchen In some ways the presence of this worker in the household posed an even greater range of challenges to the family's racial beliefs than the sons' military service By examining one family's deep involvement in the war against slavery Wilson analyses how the Civil War posed particular challenges to Northerners committed to abolitionism and white supremacy *Hunting Shadows. A Family's War* Carole McEntee-Taylor, Brian Corbin, Jimmy Corbin has always wanted to join the RAF so when his wish is granted in 1940 and he learns to fly his beloved Spitfire Jimmy is delighted But the Battle of Britain is about to begin When Charlotte's twin sister is murdered during a bombing raid she vows revenge on the German pilot she believes is responsible But someone helped him escape the country and her search for justice will lead her in directions she could never have foreseen Fred Corben same family different spelling was delighted to be asked to work for the RSS the Radio Security Service but working in the shadowy environment of the listening services he soon learns that everything is not as it seems Frederick Farmer fought and was injured in the Great War so when war loomed again he was one of the first to volunteer for the Home Guard But Frederick's life is not all it appears he has a secret that could affect the outcome of the war Geoffrey Maund is a member of the RAF Air Sea Rescue Service based in Singapore but it is his other activities that occupy his every waking thought Why won't anyone listen to his warnings John Perriman a Telegraphist on HMS Cleopatra joined the Royal Navy in 1921 aged 16 but nothing in his past had prepared him for bomb alley *Hunting Shadows A Family at War* is a mix of fact and fiction inspired by the true story of five members of the same family who fought for their country during the Second World War The real story of the family members and photos are at the end of the book Jimmy Corbin was awarded the DFC John Perriman

was awarded the DSM Atlantic and Mediterranean stars the RN Long Service and Good Conduct medal The reason for the different spelling is in the book **War Over the Family** David Popenoe,2017-09-29 One of the most surprising and controversial social debates of the past two decades has been about the meaning and importance of marriage and the family in contemporary American life Referred to by some as a culture war over the family the debate has pitted those concerned about the weakening of the traditional married parent nuclear family especially in its impact on children against those arguing that nothing has gone wrong with families that they are merely diversifying David Popenoe has been one of the most influential figures in laying out for a wide audience the importance of family decline and what it means for our children our society and our future The Case of the Chicago Family War Anthony Wolff,2014-05 When family loyalty is given a monetary value does it become like any other commodity subject to market pressures that can be manipulated by greed and vanity Can a single act of family corruption continue to benefit the descendants of the perpetrators and to harm the victims The detectives must do more than solve the riddle of the original act of disloyalty and corruption they must act to rectify an old wrong **Charles Family's War** Alan Fewster,2015-08-05 Edwin Llewellyn Charles was a slim handsome youth but Terence John his brother was beautiful and he knew it Technically the boys were twins but their personalities could not have been more different So begins this sweeping true story of a fractured but close knit Australian family during World War II focusing on the service of the twins and life on the home front as experienced primarily by their elder sister and mother When hostilities are declared Terry joins the Australian Military Forces and is quickly promoted However as a militiaman he is banned from serving overseas Having watched Edwin join the glamorous RAAF and become a pilot Terry resigns his commission to follow his twin Forced to swallow the disappointment of failing to emulate Edwin by winning his wings Terry becomes a navigator in heavy bombers in the closing stages of the European war Readers are transported from the Charles family home in northern NSW to Canberra Africa England Scotland the United States the Subcontinent and Ceylon between 1939 and the end of 1945 as the perspective shifts between the two protagonists Little known aspects of wartime experience are explored including the so called wet canteens debate the international negotiations over the release of interned Allied and Japanese diplomats and the life of the Raj on the north west frontier and in India and Ceylon The author s clever interweaving of primary documents with historical fact gives rare insights into the lives and relationships of the Charles family and creates an authentic snapshot of wartime Australia The Charles Family s War is a compassionate and multi layered examination of two intelligent and articulate young men who come of age in the cauldron of global conflict

Passion in Times of Family War Irany Muniz,2023-11-07 The novel explores themes of love courage and the power of forgiveness Throughout the story Lisa and Clayton must navigate the challenges of their forbidden love while also trying to bring an end to the long standing feud between their families As they face violence and tragedy they must find the courage to stand up for what they believe in and fight for their love Ultimately the novel shows how forgiveness and empathy can

overcome even the deepest of grudges and how love can triumph over hate These themes are developed through the characters actions and interactions as well as through the plot and setting of the story *One Family's War* Clarence Bourassa,2010 For half a century a box had lain undisturbed buried under years of accumulated clutter in the back room of a house The contents of the box stacks of letters neatly bundled in chronological order four years worth The letter writer was Clarence Bourassa who had enlisted with the South Saskatchewan Regiment in March 1940 Clarence s son Rollie had never known of the letters existence His mother to whom the letters were written had never spoken of them Then in 1995 Rollie discovered the letters and he came to know the father who had never returned from war The correspondence reveals the fear hunger fatigue and loneliness of Clarence s wartime experience His firsthand account of his participation in the disastrous Dieppe Raid makes the book a valuable historical document and a major contribution to Canada s military history
