The Fancher Train:

The Fancher Train Amelia Bean,1958 **Writings of John D. Lee** John Doyle Lee,2002 This selection from the writings of John Doyle Lee include his autobiography his confession regarding the Mountain Meadows Massacre letters poems last words for his families as well as related historical documents regarding his arrest trials and execution The book includes 14 engravings from the 1891 edition as well as a bibliography **The Fancher/ Baker Train from Salt Lake City to Mountain Meadows** Lawrence George Coates,1994 **Blood of the Prophets** Will Bagley,2012-09-06 The massacre at Mountain Meadows on September 11 1857 was the single most violent attack on a wagon train in the thirty year history of the Oregon and California trails Yet it has been all but forgotten Will Bagley s *Blood of the Prophets* is an award winning riveting account of the attack on the Baker Fancher wagon train by Mormons in the local militia and a few Paiute Indians Based on extensive investigation of the events surrounding the murder of over 120 men women and children and drawing from a wealth of primary sources Bagley explains how the murders occurred reveals the involvement of territorial governor Brigham Young and explores the subsequent suppression and distortion of events related to the massacre by the Mormon Church and others **Legends and Lies** Dale L. Walker,John Jakes,2025-10-16 All of history is mystery Dale L Walker says and he proves his point in this lively humorous and rational approach to the West s greatest puzzles Did Davy Crockett for example go down swinging Ol Betsy defending the ramparts of the Alamo or was he captured Who is buried in Jesse James s grave Was the man Pat Garrett shot that night really Billy the Kid How did Black Bart the gentleman bandit disappear Did Sacajawea the famous Bird Woman who scouted for Lewis and Clark die twice The possibilities unfold as Walker brings together little known facts and the elusive connections that shed light on the biggest enigmas of the American West At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied **The World's Bloodiest History** Joseph Cummins,2009 Handsomely illustrated with more than 100 striking sometimes shocking archival images gathered from around the world *The World's Bloodiest History* combines compelling depictions of momentous events with fascinating character portraits and arresting eyewitness accounts to create an absorbing multifaceted chronicle of a sobering all too human legacy *Circle the Wagons!* Gregory F. Michno,Susan J. Michno,2008-10-17 It s a cinematic image as familiar as John Wayne s face a wagon train circling as a defensive maneuver against Indian attacks This book examines actual and fictional wagon train battles and compares them for realism It also describes how fledgling Hollywood portrayed the concept of westward migration but as the evolving industry became more accurate in historical detail how filmmakers then lost sight of the big picture [The Canwell Files](#) M. Kienholz,2012 Court certified expert on Soviet Communism and controversial figure in the Pacific Northwest Albert Canwell born in Spokane Washington followed his father one time Pinkerton detective with his brother Carl Spokane Public Safety Commissioner and nephew David CIA into law enforcement He married the daughter of a prominent Harvard educated surgeon and raised six children at Montvale Farms on the Little

Spokane River Elected Washington State representative Canwell was aptly chosen to investigate the notorious Democratic Capitol Club and served as appointed chairman of the state s un American activities committee After unsuccessful campaigns for Congress Canwell established the American Intelligence Service providing material from his personal files to private parties businesses and government agencies FDA FBI INS His life effective activism and network security experts J B Matthews Louis Budenz and Whittaker Chambers legislators and U S presidents were a lightning rod for approbation and condemnation by friends and enemies Repeated smear campaigns professional agitation and uninformed pseudohistorians left a wake of disinformation and historical inaccuracies about his career and data contained in his files As political historian and biographer Kienholz shares the contents of his files and corrects a web of distortions and propaganda promoted by adherents to Soviet Communism *Legal Executions in the Western Territories, 1847-1911* R. Michael Wilson, 2010-04-19 This reference work contains details of all the crimes resulting in executions in the fifteen western American territories For each territory entries are arranged chronologically and entered under the name of the condemned Each entry provides the date location background and actions of the crime details of the trial and execution of sentence and references to the crime and execution in contemporary newspapers *Shadows of the Past: Chronicles of Life in Antebellum America* B. P. Stricker, 2025-02-15 Antebellum history often focuses on the national and state circumstances facing the American people at the time From the end of the War of 1812 until the beginning of the Civil War America was struggling to find common ground on numerous problems dividing the country Ultimately the government failed to prevent the outbreak of civil war But behind the scenes during all the decades of political maneuvering ordinary citizens throughout the country were still living their lives People worked married had families and interacted daily *Shadows of the Past* is about those people Through fifteen intriguing chapters *Shadows of the Past* offers a unique look into how lesser known changes events and social interactions in cities and towns across the country affected the lives of ordinary citizens A few descriptive incidents will better illustrate the approach of *Shadows of the Past* Steam power revolutionized how Americans traveled and shipped commodities The new technology was an extreme benefit to the individual the economy and the country as a whole But the steamboat also had its complications This new form of energy had not wholly been mastered and if crews were not adequately trained to operate the dangerous equipment malfunctions could easily occur This is precisely what happened to the Lexington and Princess steamboats The experience of the calamity for the people on the boats and those who witnessed the events is extraordinary Personal honor was a complex set of mores in Antebellum America When a man of honor was dishonored by another the result was often violent retribution It could be a duel legal in some regions but not others or spontaneous violent retaliation The latter occurred in 1859 when two political newcomers in Washington D C settled a problem involving one of their wives An arrest and trial in the case offered a unique legal defense that had never been successfully attempted in America The Mormons struggled in Antebellum America to establish their religion Incidents across the country forced them to move

further and further West But even then they found no peace Constant harassment caused them to develop a more offensive position than they preferred When an emigrant wagon train heading to California in 1857 attempted to cross the Utah Territory in an area known as Mountain Meadows the encounter they had with the Mormons changed their lives and the course of Mormon history Freemasonry in the United States has a long and ancient history It began in America in colonial times and grew to such an extent that its power and influence in the country was without reproach However in 1826 in New York when an offended Freemason who threatened to reveal the fraternity's secrets disappeared without a trace the public began to develop a less friendly attitude toward the secret society The investigation into the missing man's disappearance and what was believed to be murder changed the view of the public toward the Freemasons in America The theater was one of the most popular pastimes during the Antebellum Period It was one of the rare venues where all social classes intermingled much to the chagrin of the upper class whose public etiquette differed significantly from the rabble of the working class Patrons were also passionate about specific actors and tended to extend their loyalty to those who fit their social class When an actor from England insulted the working class followers of an American actor nationalism overflowed into a violent confrontation in 1849 at the Astor Place Opera House The approach of *Shadows of the Past* to historical events and incidents in Antebellum America will captivate the reader and inspire them to reassess the history of the common citizen in the Antebellum Era
