The Fast For Peace In Kurdistan The Freedom Of Leyla Zana:

The Fast for Peace in Kurdistan and the Freedom of Leyla Zana, 1998 *The Art of Freedom* Havin Guneser, 2021-07-13

The Revolution in Rojava captured the imagination of the Left sparking a worldwide interest in the Kurdish Freedom Movement. The Art of Freedom demonstrates that this explosive movement is firmly rooted in several decades of organized struggle. In 2018 one of the most important spokespersons for the struggle of Kurdish Freedom, Havin Guneser, held three groundbreaking seminars on the historical background and guiding ideology of the movement. Much to the chagrin of career academics, the theoretical foundation of the Kurdish Freedom Movement is far too fluid and dynamic to be neatly stuffed into an ivory tower filing cabinet. A vital introduction to the Kurdish struggle, *The Art of Freedom* is the first English language book to deliver a distillation of the ideas and sensibilities that gave rise to the most important political event of the twenty-first century. The book is broken into three sections: Critique and Self Critique, The rise of the Kurdish freedom movement from the rubbles of two world wars, provides an accessible explanation of the origins and theoretical foundation of the movement. *The Rebellion of the Oldest Colony*, *Jineology: the Science of Women* describes the undercurrents and nuance of the Kurdish women's movement and how they have managed to create the most vibrant and successful feminist movement in the Middle East. *Democratic Confederalism and Democratic Nation Defense of Society Against Societocide* deals with the attacks on the fabric of society and new concepts beyond national liberation to counter it. Centering on notions of a shared homeland and a nation made up of nations, these rousing ideas find deep international resonance. Havin Guneser has provided an expansive definition of freedom and democracy and a road map to help usher in a new era of struggle against capitalism, imperialism, and the State.
