The Fateful Summer:

The Fateful Summer Velda Johnston, 1981 **Winnipeg's Great War** Jim Blanchard, 2010-09-15 From the local bestselling author of *Winnipeg 1912* comes the riveting next chapter in the city's history *Winnipeg's Great War* picks up in 1914 just as the city is regrouping after a brief economic downturn War comes unexpectedly thoughts of recovery are abandoned and the city digs in for a hard fought four years Using letters diaries and newspaper reports Jim Blanchard brings us into the homes and public offices of Winnipeg and its citizens to illustrate the profound effect the war had on every aspect of the city from its politics and economy to its men on the battlefield and its war weary families fighting on the home front We witness the emergence of the city's social welfare services through the work of women's volunteer organizations the political scandals that led to the fall of the Rodmond Roblin government and the clash between independent jitneys and the city's private transit company And we hear the conflicted emotions that echoed in the city's streets from anti foreign sentiment and labour unrest to patriotic parades and a spontaneous Victory Day celebration that refused to end Through these stories Blanchard reveals how these crucial years set the stage for the decades ahead and how the First World War transformed Winnipeg into the city it is today **American Eagles: US Fighter Pilots in the RAF 1939-1945** Tony

Holmes, 2015-07-31 *American Eagles* provides a photographic snapshot of the lives of the American fighter pilots who volunteered their services during World War II as well as the Spitfires and Hurricanes they flew Keen to help Britain stem the spread of Fascism or perhaps seeking adventure in a foreign land a number of American citizens defied the wishes of their government by crossing the border into Canada and subsequently sailing to Britain to join the Royal Air Force Some were prewar civilian pilots others were rich playboys and a few were already serving in the RAF when war was declared Men such as Don Blakeslee Billy Fiske Gus Daymond and Jim Dunn as well as many other notable pilots are featured in this volume in photographs that have been carefully sourced from official and private archives across the globe Each image has a detailed caption chronicling the wartime exploits of the elite band of brothers known as the American Eagles [The Churchill Myths](#) Steven Fielding, Bill Schwarz, Richard Toye, 2020-08-14 This is not a book about Winston Churchill It is not principally about his politics nor his rhetorical imagination nor even about the man himself Instead it addresses the varied afterlives of the man and the persistent deeply located compulsion to bring him back from the dead capturing and explaining the significance of the various Churchill myths to Britain's history and current politics The authors look at Churchill's portrayal in social memory They demonstrate the ways in which politicians have often used the idea of Churchill as a means of self validation using him to show themselves as tough and honest players They show the man dramatized in film and television an onscreen persona that is often the product of a gratuitous mixing of fact and fantasy one deliberately shaped to meet the preferences of the presumed audience They discuss his legacy in light of the Brexit debate showing how public figures on both sides of the Leave Remain debate were able to use elements of Churchill's words and character to argue for

Willis Wilbur Wows the World Lindsey Leavitt,2022-03-29 Willis Wilbur has the entire summer in front of him So it s time to fulfill his destiny becoming the neighborhood life coach Nine year old Willis Wilbur had his summer figured out He and his best friend Shelley were going to Band Camp and he was going to learn how to play the sousaphone Easy Simple A done deal But when Shelley is whisked off to Hawaii for a summer with her family Willis is left staring down the long boring road of an empty summer Or even worse eight long weeks of Day Camp So Willis decides to try something new He s going to MAKE A DATE WITH DESTINY And after spotting a flyer for a local business competition he finds exactly what his true calling really is becoming the Neighborhood Life Coach A kid helping other kids with kids problems His niche he discovers And he was going to be great at it The best at it So good that he was going to become wildly ridiculously famous All he needed were some clients With gumption tenacity and many other buzzwords he finds in self help business magazines Willis dives bowtie first into the entrepreneurial waters But starting a business alone especially without his best friend by his side is tough work And with neighborhood bullies getting in his way a guinea pig client who s actually a guinea pig and an annoyingly competent little sister asking for a raise Willis has his work cut out for him Funny heartfelt and overwhelmingly endearing Willis Wilbur is here to make all of your well his dreams come true For a small fee *The Films of Carlos Saura* Marvin D'Lugo,2021-01-12 Spanish filmmaker Carlos Saura who began his career under the censorship of Franco s regime has forged an international reputation for his unique cinematic treatment of emotional and spiritual responses to repressive political conditions In films such as Carmen and El Dorado where reality and fantasy are deliberately fused together Saura reveals the illusions of Franco s mythologized Spain a chaste Catholic and heroic Spain of the Golden Age that tend to isolate Spaniards from the rest of Europe from each other and from their own individuality In this first English language book on Saura Marvin D Lugo looks at the social and artistic forces behind this film auteur s highly personal cinema Tracing Saura s career over three decades D Lugo discusses each work from Hooligans 1959 a realist film about a Madrid street gang member trying to become a bullfighter to The Dark Night 1989 a film dealing with the persecution of the religious reformer St John of the Cross in the late sixteenth century Throughout he argues that Saura s cinematic style results from a highly original response to the political and historical constraints of Spanish culture D Lugo shows how in order to explore the complex cultural politics of Spanishness as it was institutionalized under Franco Saura frames his narrations through the eyes of characters who question the forces that shape personal and collective identity Moving beyond the limits of traditional auteur studies this book addresses the relationship between the filmmaker and the cultural ideology that historically has thwarted and manipulated the expressions of individuality in Spanish society The British Attempt to Prevent the Second World War Peter Neville,2019-01-17 This book focuses on some new issues associated with British appeasement policy in the 1930s It looks particularly at how the artificial split between international history and military history has led to the over

simplification of the factors involved in formulating the appeasement policy It argues that contrary to anti appeasement mythology Britain was not left defenceless in 1939 having in fact a highly sophisticated aerial defence system for which Baldwin and Chamberlain have received little credit Conversely the disaster of 1940 was not a consequence of the sins of the British appeasers but the result of a seriously misconceived French strategy and brilliant German planning The book further argues that Anglo Czech relations between 1935 and 1938 showed that both the Foreign Office and anti appeasers had deep rooted anti Slav prejudices However new Czech research shows a more sympathetic understanding of how and why Britain adopted the appeasement policy Important new Soviet sources are also considered such as notably the Maisky Diaries 2016 for their relevance to British policy **Peregrine Papers** William Henry Tappey Squires,1923
