The Fever Tree And Other Stories Of Suspense:

The Fever Tree and Other Stories Ruth Rendell,1983-01 Eleven masterful eerie suspense tales by the outstanding English mystery writer show what happens when the sinister thoughts of ordinary people are unleashed *The Fever Tree and Other Stories* Ruth Rendell,1982 [The New Girl Friend and Other Stories of Suspense](#) Ruth Rendell,1986

Whodunit? Rosemary Herbert,2003-05-08 Who populates the pages of crime and mystery writing Who are the characters we willingly follow into the mystery genre s uneasy imaginative territory And who created those characters in the first place What life experience and expertise informs their work What are the sources of their themes regional accents and even the axes that some grind Why do some wish to give us a good laugh while others seem hell bent on making us shudder Whodunit answers these questions and more Here mystery expert Rosemary Herbert brings together enlightening and entertaining information on hundreds of classic and contemporary characters and authors Some such as P D James Ian Rankin Sherlock Holmes and Kinsey Millhone appear in individual entries Still more keep company in articles about characters we admire such as the Clerical Sleuth and in pieces about those we love to hate including the Femme Fatale and Con Artist There is even an article on a figure that haunts so many great works of mystery The Corpse Drawing on the Edgar Award nominated volume *The Oxford Companion to Crime Mystery Writing* Herbert adds 101 new entries on the hottest new names in works ranging from puzzling whodunits to chilling crime novels *The Best Man to Die* Ruth Rendell,2012-10-03 The stag party was terrific The incident that followed was terrifying The best mystery writer anywhere in the English speaking world The Boston Globe Who could have suspected that the exciting stag party for the groom would be a prelude to the murder of his close friend Charlie Hatton But it was and Charlie s death sentence was only the first in a string of puzzling murders involving small time gangsters cheating husbands and loose women Suspense is spiced with ironic twists as Chief Inspector Wexford and his assistant join forces with the groom to track down a killer Praise for *The Best Man to Die* You cannot afford to miss Ruth Rendell The New York Times Book Review For readers who have almost given up mysteries Rendell may be just the woman to get them started again Ellery Queen s Mystery Magazine First rate entertainment Saturday Review *Master of the Moor* Ruth Rendell,2012-11-21 Stephen Whalby loves to walk the moor He considers it his although he and his young wife Lyn are merely tenants in a flat nearby But the senseless and frightening murder of a young woman invades Stephen s sense of privacy and pollutes his beloved moor with suspicion and dread And then a second murder captures his imagination in an unpredictable and fascinating way **Death Notes** Ruth Rendell,1986-08-12 Sir Manuel Camargue yesterday one of the most celebrated musicians of his time today floats face down in the lake near his sprawling English country house The consensus is accidental death but Inspector Wexford knows the stench of murder most foul when he smells it Particularly in the company of two suspects one the victim s fiancée who is too young to be true the other his daughter who may be no kin and even less kind **Wolf to the Slaughter** Ruth Rendell,2012-11-21 Rendell is undoubtedly

one of the best writers of English mysteries and chiller killer plots Los Angeles Times It was better than a hotel this anonymous room on a secluded side street of a small country town No register to sign no questions asked and for five bucks a man could have three hours of undisturbed illicit lovemaking Then one evening a man with a knife turned the love nest into a death chamber The carpet was soaked with blood but where was the corpse Meanwhile a beautiful promiscuous woman is missing along with the bundle of cash she d had in her pocket The truth behind it all will keep even veteran mystery fans guessing through the very last page Praise for Wolf to the Slaughter The best mystery writer anywhere in the English speaking world The Boston Globe You cannot afford to miss Ruth Rendell The New York Times Book Review For readers who have almost given up on mysteries Rendell may be just the woman to get them started again Ellery Queen s Mystery Magazine **100 Masters of Mystery and Detective Fiction** Fiona Kelleghan,2001 Essays taken from Salem Press s Critical survey of mystery and detective fiction published in 1988 **To Fear a Painted Devil** Ruth Rendell,2012-10-03 He was young arrogant wealthy and in the bloom of health or was he Undoubtedly one of the best writers of English mysteries and chiller killer plots The Los Angeles Times Like any small community Linchester has its intrigues love affairs money problems unhappy marriages But the gossip is elevated to new heights when young Patrick Selby dies on the very night of his beautiful wife s birthday party The whole neighborhood was there witness to the horrible attack of wasp stings Patrick suffered at the end of the evening But did Patrick die of a wasp sting Dr Greenleaf thinks not Heart failure more likely Still Greenleaf isn t at peace about his death After all everyone in Linchester hated Patrick With the help of a certain naturalist Dr Greenleaf begins to think about murder Rendell is awfully good The New York Times Book Review
