**The Fighting 10th** Len Eagleburger, 2004 During or after the Civil War no official history was ever written on this Missouri Union Cavalry Regiment This book hopefully will accomplish this While the Regimental records now lay at the bottom of the Mississippi River near Greenville Mississippi when the Steamer B M Runyan hit a snag in the river and sank in the summer of 1864 the records have now been reconstructed for the first time along with Rosters This book is based upon three separate partial histories which were incomplete individually but have been conveniently consolidated into a consistent timeline for the benefit of the men who served in the Regiment as well as future researchers From early events through the end of the war the book also gives a brief history of the Civil War in Missouri

**Columbus, Georgia, 1865** Charles A. Misulia, 2019-09-10 A thoroughly researched account of a memorable Civil War battle Columbus Georgia 1865 is a comprehensive study of the Easter Sunday April 16 1865 conflict which occurred in the dark of night and extended over a mile and half through a series of forts and earthworks and was finally decided in an encounter on a bridge a thousand feet in length This volume offers the first complete account of this battle examining and recounting in depth not only the composition and actions of the contending forces which numbered some three thousand men on each side but meticulously detailing the effect of the engagement on the city of Columbus and its environs Misulia's study fills in an omission in the grand account of our cataclysmic national struggle and adds a significant chapter to the history of an important regional city In addition Misulia takes on the long vexing question of which encounter should be recognized as the last battle of the Civil War and argues persuasively that Columbus Georgia qualifies for this distinction on a number of counts
