The Figure Of Dante An Essay On The Vita Nuova:

The Figure of Dante Jerome Mazzaro, 2014-07-14 Jerome Mazzaro examines Dante's Vita Nuova as an artistic correlative to what Dante conceived as an image of himself. Specifically, he explores the structure of the work in relation to medieval views of memory, self, music, form, and interpretation, and against the facts of Dante's life and culture as we have come to know them. Originally published in 1981, The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

The Afterlife of Dante's Vita Nova in the Anglophone World Federica Coluzzi, Jacob Blakesley, 2022-09-28 This volume provides the first systematic study of the translation and reception of Dante's Vita Nova in the Anglophone world, reconstructing for the first time the contexts and genesis of its English language afterlife from the early nineteenth century to the present day. Dante is one of the foremost authors of the Western canon, and his Vita Nova has been repeatedly translated into English over the past two centuries. However, there exists no comprehensive account of the critical, scholarly, and creative English language reception of Dante's work. This collection brings together scholars from Dante studies, translation studies, English studies, and book history to examine the translation and reception of the Vita Nova among modern English-speaking publics in both academic and non-academic contexts, and thus represents a major contribution to Dante studies. **The Afterlife of Dante's Vita Nova in the Anglophone World** will be an essential reference point for scholars and students in English and Italian studies, literary and cultural studies, and translation and reception studies in the UK, Ireland, the USA, and Italy, where Dante is taught and researched.

Dante's Vita Nuova Dante Alighieri, 1973-04-22 In this new edition, Musa views Dante's intention as one of cruel and comic commentary on the shallowness and self-pity of his protagonist, who only occasionally glimpses the true nature of love. The explication de texte which accompanies Musa's translation is instructively novel, always admirable. This present work offers English readers a lengthy appraisal which should figure in future scholarly discussions.

The Portable Dante Dante Alighieri, 2003-07-29 The famed Italian poet Dante Alighieri's two masterworks, *The Divine Comedy* and *La Vita Nuova*, in one volume. A Penguin Classic. As a philosopher, he wedded classical methods of inquiry to a Christian faith. As an autobiographer, he looked unsparingly at his own failures to depict universal struggles. As a visionary, he dared draw maps of Hell, with Purgatory and Paradise, and populate all three realms with recognizable human beings. As a passionate lover, he became a poet of bereavement and renunciation. As all of these, Dante Alighieri paved the way for modern literature while creating verse and prose that remain unparalleled for formal elegance, intellectual depth, and emotional grandeur. **The Portable Dante** captures the scope and fire of Dante's genius as thoroughly as any single volume can. It

contains complete verse translations of The Divine Comedy and La Vita Nuova as well as a bibliography notes and an introduction by the eminent scholar and translator Mark Musa For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

Dante John Took,2021-12-14 For all that has been written about the author of the Divine Comedy Dante Alighieri 1265 1321 remains the best guide to his own life and work Dante s writings are therefore never far away in this authoritative and comprehensive intellectual biography which offers a fresh account of the medieval Florentine poet s life and thought before and after his exile in 1302 Beginning with the often violent circumstances of Dante s life the book examines his successive works as testimony to the course of his passionate humanity his lyric poetry through to the Vita nova as the great work of his first period the Convivio De vulgari eloquentia and the poems of his early years in exile and the Monarchia and the Commedia as the product of his maturity Describing as it does a journey of the mind the book confirms the nature of Dante s undertaking as an exploration of what he himself speaks of as maturity in the flame of love The result is an original synthesis of Dante s life and work Amazon.com

Vita Nuova Dante Alighieri,1973 A fresh new version of a 1962 translation that has had enormous popularity in comparative literature classes The Vita Nuova the New Life is a small book which relates in prose and often very beautiful verse the story of the youthful Dante s love for Beatrice The essay which follows the translation provides new insights into this puzzling thirteenth century work Musa regards Dante s intention in this so called Book of Memory as a cruel and comic commentary on the youthful lover He argues that Dante using the tradition of love poetry current in his time points up the foolishness and shallowness of his protagonist a self centered and self pitying youth who only occasionally in the progress of his suffering catches even a glimpse of the true nature of Love or his beloved The sensitive man who would realize a man s destiny must ruthlessly cut out of his heart the canker at its center i e self pity the canker that the heart instinctively tends to cultivate According to Musa this is one of Dante s central ideas Dante scholars libraries and students of the Italian classics will welcome this distinguished translation and its provocative commentary Back cover

Dante's "Vita Nova" Zygmunt G. Baranski,Heather Webb,2023-12-15 This original volume proposes a novel way of reading Dante s Vita nova exemplified in a rich diversity of scholarly approaches to the text This groundbreaking volume represents the fruit of a two year long series of international seminars aimed at developing a fresh way of reading Dante s Vita nova By analyzing each of its forty two chapters individually focus is concentrated on the Vita nova in its textual and historical context rather than on its relationship to the Divine Comedy This decoupling has freed the contributors to draw attention to various important literary features of the text including its rich and complex polysemy as well as its structural fluidity The volume likewise offers insights into Dante s social environment his

relationships with other poets and Dante's evolving vision of his poetry's scope Using a variety of critical methodologies and hermeneutical approaches this volume offers scholars an opportunity to reread the Vita nova in a renewed context and from a diversity of literary cultural and ideological perspectives Contributors Zygmunt G Bara ski Heather Webb Claire E Honess Brian F Richardson Ruth Chester Federica Pich Matthew Treherne Catherine Keen Jennifer Rushworth Daragh O Connell Sophie V Fuller Giulia Gaimari Emily Kate Price Manuele Gragnolati Elena Lombardi Francesca Southerden Rebecca Bowen Nicol Crisafi Lachlan Hughes Franco Costantini David Bowe Tristan Kay Filippo Gianferrari Simon Gilson Rebekah Locke Luca Lombardo Peter Dent George Ferzoco Paola Nasti Marco Grimaldi David G Lummus Helena Phillips Robins Aist Kiltinavi i t Alessia Carrai Ryan Pepin Valentina Mele Katherine Powlesland Federica Coluzzi K P Clarke Nicol Maldina Theodore J Cachey Jr Chiara Sbordoni Lorenzo Dell Oso and Anne C Leone *The Song of Troilus* Thomas C.

Stillinger, 2015-09-30 The Song of Troilus traces the origins of modern authorship in the formal experimentation of medieval writers Thomas C Stillinger analyzes a sequence of narrative books that are in some way constructed around lyric poems Dante's Vita Nuova Boccaccio's Filostrato and Chaucer's Troilus and Criseyde The shared aim of these texts he argues is to imagine and achieve an unprecedented auctoritas a lyric authority that combines the expressive subjectivity of courtly love poetry with the impersonal authority of Biblical commentary Each of the three establishes its own formal and intertextual dynamics in complex and unexpected ways the hierarchies of Latin learning are charged with erotic force allowing the creation of a new vernacular Book of Love The Song of Troilus is a linked series of incisive close readings Each chapter defines and investigates a range of philological intertextual and theoretical problems in addition to explicating his three principal texts Stillinger offers important insights into a range of medieval traditions from Psalm commentary to Trojan historiography to Ricardian political satire At the same time The Song of Troilus is a sophisticated narrative of cultural change and a searching meditation on history desire and writing The Song of Troilus is an original and highly readable study of three major medieval texts it will be of compelling interest to students and scholars of medieval literature and to all those exploring the history of authorship and the implications of literary form **Mismapping the Underworld** John

Kleiner, 1994 The three central chapters of the book each examine a different type of error or anomaly a mismeasured giant a self-defeating experiment an erring citation of Virgil These apparently trivial discrepancies are linked the author suggests to much larger questions What is the status of mimetic realism in Dante's poem By what right does a poet pretend to represent the order of God's mind Where does aggressive allegoresis cross over into interpretive error Through the study of error the author offers an alternative account of Dante's poetic project one that gives priority to wit and self-irony rather than didactic seriousness **Dante's Poets** Teodolinda Barolini, 2014-07-14 By systematically analyzing Dante's attitudes toward the poets who appear throughout his texts Teodolinda Barolini examines his beliefs about the limits and purposes of textuality and most crucially the relationship of textuality to truth Originally published in 1984 The Princeton Legacy Library uses the

latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The Top Books of the Year The Figure Of Dante An Essay On The Vita Nuova The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
