

A detailed black and white illustration of several classical columns, likely Corinthian or Ionic, standing on a tiered base. The columns are arranged in a row, receding into the distance. The drawing uses fine lines and cross-hatching for shading, giving the columns a three-dimensional appearance. The columns are positioned on the left side of the book cover, with the title and authors' names to their right.

Republican appointees For the Warren and Burger Courts elite social networks were dominated by liberal elites and not divided by political party or ideology A fascinating examination of the factors that shape decision making The Company They Keep will reshape our understanding of how political polarization occurs on the contemporary Supreme Court *American's Guide* ,1864
