Visa Bulletin ,1991 **Family First** Phil McGraw, Phillip C. McGraw, 2004-09-14 YOUR STEP BY STEP PLAN FOR CREATING A PHENOMENAL FAMILY Housing Choice ,2001 **Australian Pentecostal and Charismatic Movements** ,2020-04-28 In Australian Pentecostal and Charismatic Movements Arguments from the Margins Rocha Hutchinson and Openshaw argue that Australia has made and still makes important contributions to how Pentecostal and charismatic Christianities have developed worldwide This edited volume fills a critical gap in two important scholarly literatures The first is the Australian literature on religion in which the absence of the charismatic and Pentecostal element tends to reinforce now widely debunked notions of Australia as lacking the religious tendencies of old Europe The second is the emerging transnational literature on Pentecostal and Charismatic movements This book enriches our understanding not only of how these movements spread worldwide but also how they are indigenised and grow new shoots in very diverse contexts **DHHS Publication No. (OHDS).** ,1980 **In the Best Interest of the Child** United States. Congress. Commission on Security and Cooperation in Europe, 2019 Code of Federal Regulations ,1988 Special edition of the Federal Register containing a codification of documents of general applicability and future effect with ancillaries **The Capitalist Personality** Christopher Swader, 2013 Modern capitalism favors values that undermine our face to face bonds with friends and family members Focusing on the post communist world and comparing it to more developed societies this book reveals the mixed effects of capitalist culture on interpersonal relationships While most observers blame the egoism and asocial behavior found in new free market societies on their communist pasts this work shows how relationships are also threatened by the profit orientations and personal ambition unleashed by economic development Successful people in societies as diverse as China Russia and Eastern Germany adjust to the market economy at a social cost relaxing their morals in order to obtain success and succumbing to increased material temptations to exploit relationships for their own financial and professional gain The capitalist personality is internally troubled as a result of this sellout but these qualms subside as it devalues intimate qualitative bonds with others This book also shows that post communists are similarly individualized as people living in Western societies Capitalism may indeed favor values of independence creativity and self expressiveness but it also rewards self centeredness consumerism and the stripping down of morality As is the case in the West capitalist culture fosters an internally conflicted and self centered personality in post communist societies *Marriage as Political Strategy and Cultural Expression* George Qingzhi Zhao, 2008 Marriage as Political Strategy and Cultural Expression is the first comprehensive study of Mongolian royal marriages from World Empire 1206 1279 to the Yuan dynasty 1279 1368 in Asia This study examines the Mongolian royal family s marriage strategies and the political implications of these royal marriages specifically the intermarriages between the Mongolian royal house and its allies including the Onggirat the Oirat and other Mongol peoples as well as the Uighur State and Korea in Central and East Asia This book concludes that the short lifespans

of Mongol royalty after Khubilai Khan were the result of consanguineous marriage and inbreeding genetic factors that contributed to the collapse of the Mongol dynasty **Our Voices, Our Histories** Shirley Hune, Gail M. Nomura, 2020-03-10
