The Fauns Folly:

The Faun in the Garden: Michelangelo and the Poetic Origins of Italian Renaissance Art , **The House of the Faun** Carolyn Smith,2006-12 In Pompeii s beautiful House of the Vettii thirteen year old Ariana works as a kitchen slave Unbeknownst to her she is the daughter of her master Claudius Vettius a wealthy wine merchant Ariana must deal with the smoldering jealousy of Claudius s wife Julia and the misplaced ardor of her half brother Marcus a handsome teenage rebel Not far from the House of the Vettii is the stately House of the Faun notable for the bronze statue of a dancing faun a mythical woodland creature at the center of its spacious atrium The master s son Gaius is almost fifteen and hopes to follow in the footsteps of his father an official in the city government When Ariana is sent to the House of the Faun to serve as a maid she and Gaius meet and fall in love But they know that a slave girl and a government official s son have little chance of a future together Numerous obstacles stand in their path not the least of which is Marcus s jealousy An absorbing and passionate tale The House of the Faun tells a story of young love set against the intriguing backdrop of ancient Pompeii

The Story of Follies Celia Fisher,2022-11-28 A beautifully illustrated history of these quirky ornamental buildings in gardens across the globe Are they frivolous or practical Follies are buildings constructed primarily for decoration but they suggest another purpose through their appearance In this visually stunning book Celia Fisher describes follies in their historical and architectural context looks at their social and political significance and highlights their relevance today She explores follies built in protest follies in Oriental and Gothic styles animal related follies waterside follies and grottoes and finally follies in glass and steel Featuring many fine illustrations from historical paintings to contemporary photographs and prints and taking in follies from Great Britain to Ireland throughout Europe and beyond The Story of Follies is an amusing and informative guide to fanciful charming buildings **Blackwood's Magazine** ,1914 **Sea-leaves** Mary Camilla Foster Hall-Wood,1887 Complete Poetry and Prose Louise Labé,2007-11-01 Thanks to her acclaimed volume of poetry and prose published in France in 1555 Louise Lab 1522 66 remains one of the most important and influential women writers of the Continental Renaissance Best known for her exquisite collection of love sonnets Lab played off the Petrarchan male tradition with wit and irony and her elegies respond with lyric skill to predecessors such as Sappho and Ovid The first complete bilingual edition of this singular and broad ranging female author Complete Poetry and Prose also features the only translations of Lab s sonnets to follow the exacting rhyme patterns of the originals and the first rhymed translation of Lab s elegies in their entirety **Women's Literary Collaboration, Queerness, and Late-Victorian Culture** Jill R. Ehnenn,2017-05-15 The first full length study to focus exclusively on nineteenth century British women while examining queer authorship and culture Jill R Ehnenn s book is a timely interrogation into the different histories and functions of women s literary partnerships For Vernon Lee Violet Paget and Kit Anstruther Thomson Somerville and Ross Edith Somerville and Violet Martin Elizabeth Robins and Florence Bell and Katharine Bradley and Edith Cooper the couple who

wrote under the pseudonym of Michael Field collaborative life and work functioned strategically as sites of discursive resistance that critique Victorian culture in ways that would be characterized today as feminist lesbian and queer Ehnenn s project shows that collaborative texts from such diverse genres as poetry fiction drama the essay and autobiography negotiate many limitations of post Enlightenment patriarchy Cartesian subjectivity and solitary creativity industrial capitalism and alienated labor and heterosexism In so doing these jointly authored texts employ a transgressive aesthetic and invoke the potentials of female spectatorship refusals of representation and the rewriting of history Ehnenn s book will be a valuable resource for scholars and students of Victorian literature and culture women s and gender studies and collaborative writing
