Clough,1998 Clough history U of Northern Colorado analyzes 13 personal accounts by Kenyans in order to make a case for not only their historical value but their role in the struggle to define the importance of Mau Mau within Kenyan historiography and politics He argues that the recollections of the authors whose experiences ranged from organizing the secret movement to supplying the guerillas to active fighting to resistance in the British detention camps serve to refute both the British and Kenyan versions of the revolt Annotation copyrighted by Book News Inc Portland OR **Out of Step** Michael Carver,1989
