THE FINAL STRAND

The air around the Pouka Pond thrums with extra energy upon your return. Even the poukas are trilling with excitement, as they fill across the surface of the water like skipping stones.

In the midst of this inspired atmosphere, it takes almost no time for you to combine the returned spectrometer with the found Neomuni nanites.

Metallic bits and green threads whir as they knit together a mighty line Strand weapon.

You pick up the gun—it feels just right—then stow it along with the rest of your arms.

You can now wield Strand in all respects.
