Jennifer Rothschild

The Fire Of Gods Love:

The Fire of God's Love Bob Sorge,1996-11 This book explores how God is igniting His Bride in this hour with His fiery love awakening us to blazing passion for our Beloved Lord Jesus Emerging from the crucible of the fiery dealings of God is a Bride who has been purified of all other affections but one her desire for her Beloved the Lord Jesus Look into this furnace of God's love at your own risk It is a fire that consumes all but love Take the time to come to the passion that blazes on the cross let that love purge you of every defiling desire He intends to capture and possess every part of your being by revealing to you the fire of His love *Understanding the Refiner's Fire of God* Reverend Ronald Davis,2015-04-07 I wrote this book

to inform God's people of His ways of processing and changing us He does it through the inner working of the Holy Spirit and through His fire God's people don't understand His internal workings He said in Mal 3:24 he would send His messenger and refine us as silver and gold talking about His people The messenger was Jesus Jesus said He would baptize us with the Holy Ghost and fire He was talking about purging our sins and purifying us of them The fire of God through the inner working of the Holy Spirit burns the sin up and delivers us if we repent and confess them and cooperate with His internal workings Too many times God's people don't understand this process of change I go into detail in the book to explain God's not trying to hurt us just change us and too many times we don't understand it I pray you get a better understanding after you have read this book **Of Christ's testaments** Jakob Böhme,1642 *Where God's People Are Going, Life Giving Messages* Lyle

McTeer,2012-10 For many years the church has prayed for revival to come never knowing or understanding how God might answer that prayer Today we are witnessing the greatest shaking that we have ever known and on a world wide scale As financial institutions become bankrupt and many lose jobs land and homes the awakening that we once prayed for has come Everything that can be shaken is and this scenario is causing even the weakest links within the soul of man to rise up as God becomes our only hope But what will become of it all and how will we survive Where God's People are Going is like an oracle from the Lord He tells us in His word that My sheep hear My voice and I know them and they follow Me John 10:27 Until we come to know the Lord's voice our relationship and our knowledge of Him is vague at best The life giving messages in this book are just that messages that bring life to dark situations and answers to life's questions about today and what is yet to come My questions to the Lord often reflect the times in which we live as I ask the simple question why **66 Ways God**

Loves You Jennifer Rothschild,2016-10-04 God deeply loves you He loves you with an everlasting love In 66 Ways God Loves You Jennifer Rothschild walks you through each of the sixty six books of the Bible and shows in concise and thoughtful ways how every book reflects God's love for you such as In Genesis God fashions you with His hands In Esther He Makes you royalty In Acts God's Spirit comes to live in you In I Peter God gives you victory over suffering From Genesis to Revelation each chapter includes a succinct meaningful reading on the message of that book in the Bible along with a simple takeaway to help you bring the message to light in your own heart and life This lovely book is perfect for gift giving to moms friends

sisters and anyone who needs to be reminded that they are known and beloved by God no matter what Rediscovering the Good News of the Gospel Bruce E. Gibson, 2025-09-30 Historically methods of sharing the good news of the gospel have often been incomplete because the limited message has focused on sin sin removal avoidance of hell and ultimately heaven Within that context each group offers its guaranteed process sometimes sold as the exclusive process to avoid hell because avoiding hell seems to have been the best motivation to make converts As a result the gospel is often not perceived as life giving good news but as an allegiance to a religious team to avoid wrath and punishment And teams compete against other teams Consequently a growing number of people are walking away from the good news as presented This is particularly polarizing when the available responses seem to vacillate between the extremes of embracing the methods and traditions hook line and sinker without asking questions or forsaking the gospel the church and God To address this situation Bruce E Gibson verbalize questions that he thinks other Christians contemplate but do not have a safe place to discuss Join the conversation to embrace and address these questions **Love Consciousness** Brian Toliver, 2014-05-05 There is a consciousness of the soul that God desires the believer to lay hold This consciousness is the soul of the God We are to think as God thinks What moves God should move us We are to express as God expresses His thoughts and feelings This is the life of God gave to the believer This books inspiration came from my experiences with God and the message that He gave to me God birthed in me this message in the streets of different cities God has given to me Love and understanding That Love and understanding has changed the lives of many people Many of which did not believe in God Receive the words written in this book and your life will change too This is what I believe Once you see God as he is His Love will affect you in some way The message reveals the intimacy of God and the content in Gods soul God s soul is His character and nature His substance His Life God s soul is what God is Love The soul of man God created in the image of His soul Therefore man s soul God created in the image of LOVE When the believer has this consciousness he is full with all the fullness of God *God Loves You* Thomas Franckowiak, 2012-04 Jesus explains in His parable of the talents that your Heavenly Father God has endowed you with at least one special gift Often He has blessed you with many more His gift of love to you however is the most precious of them all If godly love is your one talent it is yours to continually refine throughout your life In order to continually grow in godly love God s Word must be your road map *God Loves You* Notes of His Love unearths truths about your Heavenly Father s love from Paul s description of godly love in his first letter to the Corinthians In his letter he reveals its seven qualities You will find in *God Loves You* Notes of His Love that each chapter is dedicated to studying a quality of love As you study each chapter you become a student of God s love You investigate for yourself how to live an entire life of continual growth in ever abounding love for your Heavenly Father God your dear ones and all humanity After you devote your entire life to successfully studying and living godly love you will appear before your Heavenly Father God When He sees your soul beaming the seven qualities of godly love He will tell you Well done good and faithful servant You have been faithful with a

few things I will put you in charge of many things Come and share your Master's happiness **Exorcising Philosophical Modernity** Philip John Paul Gonzales, 2020-03-18 What should Christian discourse look like after philosophical modernity In one manner or another the essays in this volume seek to confront and intellectually exorcise the prevailing elements of philosophical modernity which are inherently transgressive disfigurations and refigurations of the Christian story of creation sin and redemption To enact these various forms and styles of Christian intellectual exorcism the essays in this volume make appeal to and converse with the magisterial corpus of Cyril O Regan The themes of the essays center around the gnostic return in modernity apocalyptic theology and the question of the bounds and borders of Christian orthodoxy Along the way diverse figures are treated such as Hegel Shakespeare von Balthasar Przywara Ricouer Deleuze Merleau Ponty and Kristeva Exorcising Philosophical Modernity Cyril O Regan and Christian Discourse after Modernity is a veritable feast of post modern Christian thought God Loves Her Our Daily Bread, Kim Cash Tate, Xochitl Dixon, Lori Hatcher, Patricia Raybon, Amy Boucher Pye, Elisa Morgan, Kirsten Holmberg, Laura L.
